

Medical CNC Machined Parts High Precision Machining

Our Product Introduction

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Certification: 1
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- Drawing Format: PDF, DWG, IGS, STEP, Etc.
- Lead Time: 7-15 Days
- Tolerance: $\pm 0.01\text{mm}$
- MOQ: 1 Piece
- Quality Control: 100% Inspection Before Shipment
- OEM/ODM: Acceptable
- Surface Treatment: Anodizing, Plating, Painting, Etc.
- Material: Aluminum, Steel, Brass, Etc.
- Highlight: **Medical CNC Machined Parts, CNC Machined Parts High Precision**

Product Description

Product Description:

CNC Machined Parts are precision-engineered components produced through Computer-Numerically-Controlled (CNC) machining process. The parts are custom-made according to the customer's drawing or specification, and the size, quality control, drawing format, and processing method are all customizable. High-quality CNC Machined Parts are produced by skilled professionals, and the quality of the parts is ensured with 100% inspection before shipment. The Computer-controlled machining parts, Computer-aided manufacturing parts, and Computer-Numerically-Controlled parts are all produced using the CNC machining process, which includes turning, milling, and other processes. The lead time for CNC Machined Parts is 7-15 days, and the drawing format for the parts includes PDF, DWG, IGS and STEP, etc.

Features:

Product Name: CNC Machined Parts

Drawing Format: PDF, DWG, IGS, STEP, Etc.

Computerized Numerical Cutting parts, Numerically-controlled machining parts, CNC-manufactured components

Application: Automotive, Aerospace, Medical, Etc.

Quality Control: 100% Inspection Before Shipment

OEM/ODM: Acceptable

Packaging: Standard Export Carton Or Customized

Technical Parameters:

Parameter	Value
MOQ	1 Piece
Lead Time	7-15 Days
Packaging	Standard Export Carton or Customized
Quality Control	100% Inspection Before Shipment
Size	Customized
Delivery Method	DHL, FedEx, UPS, Etc.
Tolerance	±0.01mm
Drawing Format	PDF, DWG, IGS, STEP, Etc.
Processing Method	CNC Machining, Turning, Milling, Etc.
Material	Aluminum, Steel, Brass, Etc.
Computer-aided machining parts	Yes
Computerized machining parts	Yes
Computer-Numerically-Controlled parts	Yes

Applications:

Yuanwenyu's CNC Machined Parts are widely used in various industries, such as automotive, aerospace, medical, industrial, and consumer products. These products are made from high-quality materials, and then machined to precise specifications with CNC machines. The parts are designed to be strong and durable, while still providing excellent performance and accuracy. The CNC machines used in the production process also provide a high degree of precision and accuracy, ensuring that the parts produced meet the highest quality standards. The parts are also designed to be compatible with a wide range of other components and materials, including plastics, metals, and composites.

Computer-controlled machining parts, also known as Numerically-controlled machining parts, are manufactured with the help of CNC machines. The machines use the latest software to control the cutting and machining process, ensuring that the parts are produced with superior accuracy and precision. Computerized Numerical Cutting parts, or CNC parts, are made from the same high-quality materials as the CNC machined parts, and are designed to provide precise and consistent results. Precision CNC Machining parts are used in a variety of industries, including medical, aerospace, and industrial, and provide superior quality and performance.

Yuanwenyu's CNC Machined Parts are available in a variety of sizes, shapes, and materials, making them suitable for a wide range of applications. The parts are manufactured in accordance with ISO 9001 quality standards, and are inspected for quality and accuracy before being shipped. Customers can order customized parts, or select from a large selection of ready-made parts. All parts are delivered with a minimum order quantity of 50 pieces, and come with a competitive price range of \$2.35 - \$12.68 per piece. Delivery time is

typically 1-2 days, and payment methods, such as DHL, FedEx, UPS, and more, are available. For more than 10 years, Yuanwenyu has been providing high-quality CNC Machined Parts with fast, reliable, and cost-effective services. The company is committed to providing superior customer service, and provides OEM/ODM services for all customers. All parts are also subject to rigorous quality control, with 100% inspection before shipment. With its commitment to customer satisfaction and quality, Yuanwenyu has become the leading supplier of CNC Machined Parts for many industries.

Customization:

Customized CNC Machined Parts

Brand Name: yuanwenyu

Model Number: 1X893, OEM

Place of Origin: Guangdong, China

Certification: 1

Minimum Order Quantity: 50 pieces

Price: \$2.35 - \$12.68/pieces

Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton

Delivery Time: 1

Payment Terms: 1

Supply Ability: 1000000 Piece/Pieces per Month

Tolerance: ± 0.01 mm

Quality Control: 100% Inspection Before Shipment

Lead Time: 7-15 Days

Surface Treatment: Anodizing, Plating, Painting, Etc.

Delivery Method: DHL, FedEx, UPS, Etc.

Product Features: Numerically-controlled machining parts, Precision machined parts, Computerized Numerical Cutting parts

Support and Services:

Technical Support and Service for CNC Machined Parts

We provide technical support and service for CNC machined parts. Our team of experts can help you with any questions or concerns you have about CNC machined parts. We offer comprehensive technical support and service to ensure that your machined parts are made to the highest standards and perform as expected. Our technical support and service include:

Troubleshooting and problem solving

Design and engineering advice

Prototype and production machining

Maintenance and repair services

Spare parts and supplies

We strive to provide the best technical support and service for CNC machined parts. Our team is committed to providing the highest level of customer service and satisfaction. If you have any questions or concerns, please feel free to contact us.

Packing and Shipping:

Packaging and Shipping of CNC Machined Parts:

CNC machined parts are packaged and shipped in durable cardboard boxes, foam-lined to protect against shock and vibration. Parts are individually tagged and labeled with product and lot numbers for traceability. Each box is then sealed with a tamper evident security tape.

FAQ:

Questions and Answers about CNC Machined Parts

Q: What is the Brand Name of the CNC Machined Parts?

A: The Brand Name of the CNC Machined Parts is yuanwenyu.

Q: What is the Model Number of the CNC Machined Parts?

A: The Model Number of the CNC Machined Parts is 1X893, OEM.

Q: Where are the CNC Machined Parts produced?

A: The CNC Machined Parts are produced in Guangdong, China.

Q: What is the minimum order quantity of the CNC Machined Parts?

A: The minimum order quantity of the CNC Machined Parts is 50 pieces.

Q: How much does each CNC Machined Part cost?

A: Each CNC Machined Part costs \$2.35 - \$12.68/pieces.
