Customized Precision Machined Parts DWG Format

Our Product Introduction

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Certification: 1
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- MOQ: 1 Piece
- OEM/ODM: Acceptable
- Drawing Format: PDF, DWG, IGS, STEP, Etc.
- Lead Time: 7-15 Days
- Delivery Method: DHL, FedEx, UPS, Etc.
- Size: Customized
- Application: Automotive, Aerospace, Medical, Etc.
- Tolerance: ±0.01mm
- Highlight: **Customized Precision Machined Parts**, **DWG Precision Machined Parts**

Product Description

Product Description:

Our CNC machined parts are manufactured using Computer-aided manufacturing (CAM) technology, and our CNC-machined components feature extreme precision and excellent tolerance. Our precision machined parts are widely used in Automotive, Aerospace, Medical and other industries. With our advanced CNC-machining technology, we are able to provide our customers with precision-machined parts for their exact specifications. We guarantee 100% inspection before shipment to ensure the product quality is up to standard. We also accept OEM/ODM orders with minimum order quantity of 1 piece. We are confident that our CNC machined parts will meet your needs.

Features:

Product Name: CNC Machined Parts
Delivery Method: DHL, FedEx, UPS, Etc.
Packaging: Standard Export Carton Or Customized
Surface Treatment: Anodizing, Plating, Painting, Etc.
Processing Method: CNC Machining, Turning, Milling, Etc.
Quality Control: 100% Inspection Before Shipment
Computer-controlled machining parts
Computerized machining parts
CNC-manufactured components

Technical Parameters:

Attribute	Details
Packaging	Standard Export Carton Or Customized
Lead Time	7-15 Days
Drawing Format	PDF, DWG, IGS, STEP, Etc.
Delivery Method	DHL, FedEx, UPS, Etc.
Processing Method	CNC Machining, Turning, Milling, Etc.
MOQ	1 Piece
Material	Aluminum, Steel, Brass, Etc.
Tolerance	±0.01mm
Quality Control	100% Inspection Before Shipment
Surface Treatment	Anodizing, Plating, Painting, Etc.

Applications:

CNC machined parts, manufactured by **Yuanwenyu**, are precision-engineered components that are used in a wide range of applications. The parts are made of high-grade aluminum, steel, brass and other materials for superior strength and durability. The **Model Number** 1X893 and OEM parts are made to exact specifications and are available in a variety of configurations. With rigorous quality control measures in place, the parts are guaranteed to meet the highest quality standards.
These CNC machined parts are used in the manufacturing of products in many industries, such as aerospace, automotive, medical, food processing, and electronics. The parts can be custom-made to fit the exact requirements of the customer, and can be used for complex Computer-aided manufacturing parts, CNC-machined components, and Computer-Numerically-Controlled parts, among others. The parts come with a **Minimum Order Quantity** of 50 pieces, and the **Price** ranges from $2.35 to $12.68 per piece. The parts are packed in standard export carton or customized packaging to ensure safe delivery.
The surface treatment of the parts can be customized, including anodizing, plating, painting, etc., and the delivery method can be DHL, FedEx, UPS, etc. At **Yuanwenyu**, the parts are subjected to rigorous **Quality Control** measures, and 100% inspection is done before shipment. The company also offers **Certification** for the parts, and a **Supply Ability** of 1,000,000 pieces per month.

Customization:

CNC Machined Parts
Brand Name: yuanwenyu
Model Number: 1X893, OEM

Place of Origin: Guangdong, China
Certification: 1
Minimum Order Quantity: 50 pieces
Price: $2.35 - $12.68/pieces
Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
Delivery Time: 1
Payment Terms: 1
Supply Ability: 1000000 Piece/Pieces per Month
Surface Treatment: Anodizing, Plating, Painting, Etc.
Quality Control: 100% Inspection Before Shipment
Drawing Format: PDF, DWG, IGS, STEP, Etc.
Material: Aluminum, Steel, Brass, Etc.
Application: Automotive, Aerospace, Medical, Etc.
Computer-aided manufacturing parts, Computer-controlled machining parts, Numerically-controlled machining parts

Support and Services:

We offer technical support and service for CNC Machined Parts. Our experienced staff can help you with any issues related to installation, operation, maintenance, and troubleshooting. We also offer a wide variety of spare parts for our CNC Machined Parts, allowing customers to keep their machines running at peak efficiency. In addition, our team of engineers can also provide custom solutions to any unique problems or requirements.

Packing and Shipping:

Packaging and Shipping for CNC Machined Parts:
We use standard packaging boxes to ensure that the parts remain in good condition during transportation. We use a variety of shipping methods, such as express delivery, air cargo and sea freight, to ensure that the parts are delivered on time.

FAQ:

Q&A about CNC Machined Parts

Q1: What is the Brand Name?
A1: The Brand Name is yuanwenyu.
Q2: What is the Model Number?
A2: The Model Number is 1X893, OEM.
Q3: Where is the Place of Origin?
A3: The Place of Origin is Guangdong, China.
Q4: What is the Minimum Order Quantity?
A4: The Minimum Order Quantity is 50 pieces.
Q5: What is Price?
A5: The Price is $2.35 - $12.68/pieces.
