High Precision Fabricated CNC Stainless Steel Parts ±0.01mm

Our Product Introduction

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- OEM/ODM: Acceptable
- Shipping: By Sea/Air/Express
- Size: Customized
- Application: Industrial Equipment
- Tolerance: ±0.01mm
- Package: Carton/Wooden Box
- Surface Treatment: Polishing
- Drawing Format: PDF/DWG/IGS/STP
- Highlight: **High Precision CNC Stainless Steel Parts**, **CNC Stainless Steel Parts ±0.01mm**

Product Description

Product Description:

Our CNC Stainless Steel Parts are precision machined with high tolerance of ±0.01mm. We offer a wide range of stainless steel machined parts to meet customer's needs. Our experienced machinists use advanced CNC machinery and the latest technology to produce high quality products. We have a minimum order quantity (MOQ) of 1 piece. Our stainless steel materials are of the highest quality, making our products durable and long lasting. We can also provide shipping options such as by sea, air, or express.
We specialize in stainless steel machining and have a wealth of experience in producing high-quality CNC stainless steel machining parts. Our machinists use state-of-the-art CNC technology to ensure accuracy and precision in every product. We are committed to providing our customers with the highest quality products at competitive prices.

Features:

Product Name: CNC Stainless Steel Parts
Processing Method: CNC Machining
Surface Treatment: Polishing
Drawing Format: PDF/DWG/IGS/STP
Package: Carton/Wooden Box
Tolerance: ±0.01mm
Stainless Steel Fabricated Part
High Quality Stainless Steel Part
High Quality Stainless Steel Part

Technical Parameters:

Description	Details
Shipping	By Sea/Air/Express
Application	Industrial Equipment
Lead Time	7-15 Days
Inspection	100% Inspection
Processing Method	CNC Machining
Tolerance	±0.01mm
Package	Carton/Wooden Box
MOQ	1 Piece
Drawing Format	PDF/DWG/IGS/STP
Surface Treatment	Polishing
Material	Stainless Steel

Applications:

CNC Stainless Steel Parts, manufactured by ywy, model cnc303, are made from high quality Stainless Steel with a tolerance of ±0.01mm, and can be provided in PDF/DWG/IGS/STP drawing formats. OEM/ODM services are also available. The lead time for CNC Stainless Steel Parts is 7-15 days. The parts are made with high precision, and provide superior strength and resistance to wear. CNC Stainless Steel Parts from ywy are perfect for a variety of applications, including CNC Stainless Steel Machining, CNC Stainless Steel Component, High Quality Stainless Steel Part, and Precision Stainless Steel Parts.

Customization:

We provide custom services for CNC Stainless Steel Parts. Our product is branded as ywy and the model number is cnc303. It is made of stainless steel and is manufactured in Guangdong, Huizhou. We accept orders for OEM/ODM services. We offer a range of shipping options, including air, sea and express. We also provide polishing surface treatment for the products. Our drawing formats are PDF/DWG/IGS/STP. We specialize in stainless steel precision parts, CNC stainless steel fabrication and stainless steel CNC component.

Support and Services:

CNC Stainless Steel Parts offers comprehensive technical support and services to help you maximize the performance of your products. Our technical support team is available 24/7 to provide you with timely, accurate answers to your questions. We also offer a wide range of services to help you optimize the performance of your CNC stainless steel parts, including:

Custom design and machining services

Comprehensive troubleshooting advice

Consulting on the best CNC stainless steel parts for your application

On-site installation and service

Free technical support via phone, email, or live chat

Regular maintenance and inspection services

At CNC Stainless Steel Parts, we strive to provide the best possible technical support and services to ensure your products are running at their peak performance. If you have any questions about our services, please don't hesitate to contact us.
