Polishing Fabricated Machining CNC Brass Parts Electronic

Our Product Introduction

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- Package: Standard Export Package
- Supply_ability: 10000 Pieces/Month
- Color: Customized
- Weight: Customized
- Dimension: Customized
- Processing_method: CNC Machining
- Delivery_time: 7-15 Days
- Material: Brass
- Highlight: **Fabricated CNC Brass Parts**, **Machining CNC Brass Parts**

Product Description

Product Description:

We are a professional manufacturer of computer-assisted brass parts, CNC-machined brass parts and related brass parts. Our products have the characteristics of high accuracy, good surface finish and strong durability. We are committed to providing customers with high-quality brass parts which are tailored to their individual needs. Our supply ability is 10000 pieces per month, and the weight of the parts can be customized according to customer requirements. Our products are shipped from Shenzhen and can be delivered within 7 to 15 days. We provide a variety of surface treatments, including polishing, to ensure that the surface of the parts meets customer requirements. As a professional computer-assisted brass parts supplier, we strive to provide customers with the best quality brass parts manufacturing services.

Features:

Product Name: CNC Brass Parts
Package: Standard Export Package
Surface Treatment: Polishing
Processing Method: CNC Machining
Color: Customized
Supply Ability: 10000 Pieces/Month
Keywords: CNC-machined Brass Parts, CNC-fabricated Brass Parts, CNC-fabricated Brass Parts, Brass Parts Polishing, Customized Color Brass Parts

Technical Parameters:

Parameter	Value
Processing Method	CNC Machining
Tolerance	±0.01mm
Port	Shenzhen
Weight	Customized
Surface Treatment	Polishing
Application	Electronic Components
Payment Term	T/T, PayPal, Western Union
Supply Ability	10000 Pieces/Month
Delivery Time	7-15 Days
Color	Customized
Product Name	Computer-programmed Brass Parts, Computer-aided Brass Parts, Computer-assisted Brass Parts

Applications:

CNC Brass Parts manufactured by **ywy** are highly sought after in many industrial fields due to their high quality and precise dimensions. The **Model Number cnc404** has a **Place of Origin** in **guangdonghuizhou**, and **supply_ability** of up to **10000 Pieces/Month**. In addition, the **color**, **dimension**, and **weight** of these parts can be **Customized** to meet the needs of each customer. To ensure a perfect finish, the **surface_treatment** of these parts is often **Polishing**, making them ideal for CNC-manufactured, computer-programmed, and computer-driven applications.

Customization:

Customized CNC Brass Parts

Brand Name: ywy
Model Number: cnc404
Place of Origin: Guangdong,Huizhou
Tolerance: ±0.01mm
Processing Method: CNC Machining
Color: Customized
Dimension: Customized
Surface Treatment: Polishing
We specialize in Computer-controlled Brass Parts, Computer-aided Brass Parts, CNC-fabricated Brass Parts with the highest quality and

accuracy.

Support and Services:

CNC Brass Parts offers a wide range of technical support and services to customers. Our team of experts will help you with product selection, design, installation, and maintenance of your CNC Brass Parts. We can also provide training and troubleshooting advice to ensure that you get the most out of your CNC Brass Parts.
Our technical support team is available 24/7 to answer your questions and provide assistance with any issues you may have. We also provide online support and resources so you can troubleshoot and find solutions quickly. We also have a library of product manuals and videos that can help you get the most out of your CNC Brass Parts.
We also offer on-site and remote services in order to best meet your needs. Our on-site services include installation, maintenance, and repairs. We also provide remote services, such as remote monitoring, troubleshooting, and programming. We have a team of experienced technicians that can provide you with professional-level services.
Our goal is to ensure that your CNC Brass Parts are running optimally and providing you with the best possible performance. We are committed to providing the highest quality of service and customer satisfaction. If you ever have any questions or concerns, please don't hesitate to contact us. We are here to help!
