

Custom Machined CNC Brass Parts Polishing Surface Treatment

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- Tolerance: $\pm 0.01\text{mm}$
- Material: Brass
- Weight: Customized
- Processing_method: CNC Machining
- Color: Customized
- Dimension: Customized
- Package: Standard Export Package
- Application: Electronic Components
- Highlight: **Custom CNC Brass Parts,**
Anodizing CNC Brass Parts

Product Description

Product Description:

CNC Brass Parts are computer-controlled, computer-driven and computer-assisted parts made of brass material, and they are widely used in the electronics industry. They feature high precision and accuracy, with tolerance of $\pm 0.01\text{mm}$, and they can be customized according to customer's requirement in terms of their weight and color. Depending on the customer's needs, payments can be made via T/T, PayPal, or Western Union, and the port of shipment is usually Shenzhen. CNC Brass Parts are used in a variety of applications and provide reliable, economical solutions to many industries.

Features:

Product Name: CNC Brass Parts

Package: Standard Export Package

Supply Ability: 10000 Pieces/Month

Dimension: Customized

Surface Treatment: Polishing

Material: Brass

Advantages: CNC-manufactured Brass Parts, Computer-assisted Brass Parts, Computer-programmed Brass Parts

Technical Parameters:

Parameter	Value
Product Name	CNC-machined Brass Parts
Color	Customized
Tolerance	$\pm 0.01\text{mm}$
Package	Standard Export Package
Port	Shenzhen
Delivery Time	7-15 Days
Weight	Customized
Dimension	Customized
Application	Electronic Components
Material	Brass
Surface Treatment	Polishing

Applications:

YWY CNC Brass Parts (Model Number: cnc404) are computer-operated, computer-driven, and CNC-manufactured parts made from brass. This type of product is widely used in many industries, including automotive, electronics, construction, and engineering. It is a reliable and durable material that is perfect for a variety of applications. YWY CNC Brass Parts are custom-made with the highest manufacturing standards, and they come in standard export packages. Furthermore, the weight of the product can be customized according to customer requirements. Payment terms include T/T, PayPal, and Western Union, and all orders will be shipped from Shenzhen port.

YWY CNC Brass Parts are the perfect choice for customers looking for a high-quality and reliable product. It is designed for precision and accuracy, and it can be used in a variety of applications. It is also known for its durability and long lifespan. YWY CNC Brass Parts are highly reliable and can be used in a variety of industrial applications. Furthermore, they are perfect for projects that require precision and accuracy. With YWY CNC Brass Parts, customers can be assured of the highest quality and the best performance.

Customization:

CNC Brass Parts

Brand Name: ywy

Model Number: cnc404

Place of Origin: guangdonghuizhou

Package: Standard Export Package

Supply Ability: 10000 Pieces/Month

Payment Term: T/T, PayPal, Western Union

Application: Electronic Components

Port: Shenzhen

Features: Computer-programmed Brass Parts, Computer-assisted Brass Parts, Computer-driven Brass Parts

Support and Services:

CNC Brass Parts provides technical support and service to customers to ensure their products have the best performance and quality. Our technical support team is available to answer any questions or concerns customers may have regarding their CNC Brass Parts. We provide a variety of services, including:

- Diagnosing and troubleshooting technical issues
- Providing instruction and guidance on proper use and maintenance
- Assisting with product installation
- Advising on product selection and compatibility
- Offering product customization, upgrades, and repairs

We are committed to providing excellent customer service and support. If you have any questions or concerns regarding your CNC Brass Parts, please contact us and we will be happy to help.
