Electronic Components Machined CNC Brass Parts ±0.01mm Tolerance

Our Product Introduction

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- Package: Standard Export Package
- Payment_term: T/T, PayPal, Western Union
- Tolerance: ±0.01mm
- Color: Customized
- Supply_ability: 10000 Pieces/Month
- Dimension: Customized
- Weight: Customized
- Application: Electronic Components
- Highlight: **Electronic Components CNC Brass Parts**, **CNC Brass Parts 0.01mm Tolerance**

Product Description

Product Description:

CNC Brass Parts

These computer-programmed brass parts are machined using CNC machining technology, offering precision and accuracy for electronic components. The weight and color of the parts can be customized to meet the specific requirements of customers. Made of brass material, these computer-controlled and computer-driven metal parts have excellent mechanical properties, good corrosion resistance and thermal conductivity, and good wear resistance.

Features:

Product Name: CNC Brass Parts
Delivery Time: 7-15 Days
Tolerance: ±0.01mm
Payment Term: T/T, PayPal, Western Union
Package: Standard Export Package
Weight: Customized
Feature: CNC-fabricated Brass Parts, Computer-assisted Brass Parts, Computer-simulated Brass Parts

Technical Parameters:

Parameter	Details
Product Name	CNC Brass Parts
Supply Ability	10000 Pieces/Month
Package	Standard Export Package
Payment Term	T/T, PayPal, Western Union
Surface Treatment	Polishing
Port	Shenzhen
Dimension	Customized
Weight	Customized
Processing Method	CNC Machining
Tolerance	±0.01mm
Material	Brass
Keywords	Computer-aided Brass Parts, CNC-fabricated Brass Parts, Computer-operated Brass Parts, CNC-machined Brass Parts

Applications:

The YWY CNC404 Brass Parts are computer-programmed, computer-operated and computer-aided components that provide an array of features and functions to a wide range of applications. Made from high-quality brass, these parts are polishing treated to achieve a smooth finish and superior strength. With precise dimension customization, they can fit perfectly into any device and provide a sturdy, reliable connection. Our CNC404 Brass Parts are delivered within 7-15 days and are available in standard export packages.
Our CNC404 Brass Parts are perfect for a variety of applications, including automotive, industrial, electronic, and medical, due to their high strength and durability. They can be used for a variety of tasks, such as connecting parts, providing support, or helping to direct electrical current. Thanks to their computer-programmed, computer-operated, and computer-aided features, these parts offer precise control and accuracy in any application.
At YWY, we take pride in our CNC404 Brass Parts, which are designed to meet the highest standards of quality and performance. Our parts are made from the finest materials and are subject to rigorous testing and inspection to ensure the highest level of quality. With our CNC404 Brass Parts, you can rest assured that you are getting the best available parts for your application.

Customization:

Custom CNC Brass Parts from ywy

High-quality CNC-manufactured Brass Parts and CNC-fabricated Brass Parts from ywy are the perfect solution for your needs. Computer-aided Brass Parts from ywy meet the highest standard of excellence in design, engineering, and production. Our CNC Brass Parts are designed to meet your exact specifications.

Product Information

Brand Name: ywy
Model Number: cnc404
Place of Origin: Guangdong, Huizhou
Port: Shenzhen
Processing Method: CNC Machining
Package: Standard Export Package
Weight: Customized
Dimension: Customized

Support and Services:

We provide technical support and service for CNC Brass Parts. Our team of experienced technicians will help you with product selection, installation and maintenance. We also offer custom design and fabrication services for CNC Brass Parts. We provide on-site and off-site technical support and service, as well as online resources such as tutorials, FAQs, and product documentation. Our technical support staff is available to answer any questions you may have and provide assistance to ensure that your CNC Brass Parts are functioning properly.
