Electronic Components Brass CNC Machining Parts Polishing

Our Product Introduction

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- Port: Shenzhen
- Surface_treatment: Polishing
- Delivery_time: 7-15 Days
- Package: Standard Export Package
- Supply_ability: 10000 Pieces/Month
- Application: Electronic Components
- Material: Brass
- Payment_term: T/T, PayPal, Western Union
- Highlight: **Electronic Components Brass CNC Machining Parts** , **Polishing Brass CNC Machining Parts**

Product Description

Product Description:

CNC-manufactured Brass Parts are precision-engineered components made of high-grade brass. Manufactured with advanced CNC technology, they feature a high degree of accuracy and reliability. With a tolerance of ±0.01mm, these CNC-fabricated Brass Parts are suitable for a wide range of applications. Computer-aided design and production technology are used to make custom-made Brass Parts with a wide range of colors. Our production facility in Shenzhen is capable of delivering up to 10000 pieces per month, and we accept payment in various forms including T/T, PayPal and Western Union.

Features:

Product Name: **CNC Brass Parts**
Material: **Brass**
Application: **Electronic Components**
Payment Term: **T/T, PayPal, Western Union**
Color: **Customized**
Processing Method: **CNC Machining**
Special Features:
Computer-simulated Brass Parts
CNC-manufactured Brass Parts
Computer-programmed Brass Parts

Technical Parameters:

Property	Details
Delivery Time	7-15 Days
Dimension	Customized
Payment Term	T/T, PayPal, Western Union
Weight	Customized
Tolerance	±0.01mm
Color	Customized
Material	Brass
Supply Ability	10000 Pieces/Month
Application	Electronic Components
Port	Shenzhen
Product	Computer-controlled Brass Parts, Computer-controlled Brass Parts, Computer-programmed Brass Parts

Applications:

CNC Brass Parts-YWY CNC404 From Guangdong Huizhou

If you are looking for reliable and precise Computer-operated, Computer-programmed and Computer-simulated Brass Parts, YWY CNC404 is the perfect choice for your next project. This CNC Brass Parts are made with premium quality brass material and can be customized in terms of color and size. Moreover, delivery time is 7-15 days with a supply ability of up to 10000 Pieces/Month. Our CNC Brass Parts are designed for various applications, including Electronic Components.
This product is produced with advanced CNC technology to ensure accuracy and quality. YWY CNC404 is the perfect choice for those who need reliable and precise Computer-operated, Computer-programmed and Computer-simulated Brass Parts.

Customization:

We provide custom services for Computer-controlled Brass Parts with brand name **ywy**, model number **cnc404**, place of origin **Guangdong Huizhou**. The surface treatment is **Polishing**, material is **Brass**, tolerance is **±0.01mm**, dimension and weight are **Customized**. We also provide Computer-operated and Computer-programmed Brass Parts.

Support and Services:

We provide technical support and services for CNC Brass Parts. Our services include:
Assistance with product selection
Advice on product installation and maintenance
Troubleshooting and problem-solving support
Technical documentation and manuals
Replacement parts and accessories
We are committed to providing excellent customer service and will do our best to assist you with any technical issues you may have with CNC Brass Parts.
