

Automotive Magnesium Alloy Aluminum Die Cast Parts With $\pm 0.01\text{mm}$ Tolerance

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- Surface Finish: Polishing, Anodizing, Plating, Painting, Etc.
- Weight: 0.1-50kg
- Package: Wooden Case/Pallet
- Shipping: By Sea/Air/Express
- Lead Time: 7-15 Days
- Application: Automotive, Electronics, Industrial, Etc.
- Tolerance: $\pm 0.01\text{mm}$
- Mold Life: 50,000-1,000,000 Shots
- Highlight: **Magnesium Alloy Aluminum Die Cast Parts, Automotive Aluminum Die Cast Parts**

Product Description

Product Description:

Die Casting Components, produced with the highest quality standards, offer a wide range of pressure from 0 to 500T, making them the perfect choice for a variety of applications. The materials used for production include Aluminum, Zinc, Magnesium, Copper and other metals, which can be processed via die casting, metal injection moldings, low-pressure castings and permanent moldings. The surface finish of the components can be customized through processes such as polishing, anodizing, plating and painting. The components are then carefully packaged in wooden cases or pallets for safe transportation. Die Casting Molds, Metal Injection Moldings, Low-pressure Castings and Permanent Moldings are the four main processes used to manufacture Die Casting Components, ensuring their superior quality and performance.

Features:

Product Name: Die Casting Components
Application: Automotive, Electronics, Industrial, Etc.
Payment: T/T, L/C, PayPal, Etc.
Surface Finish: Polishing, Anodizing, Plating, Painting, Etc.
Size: Customized
Lead Time: 7-15 Days
Sand Castings
Die Casting Molds
High-pressure Die Castings
Low-pressure Die Castings

Technical Parameters:

Parameter	Value
Package	Wooden Case/Pallet
Application	Automotive, Electronics, Industrial, Etc.
Mold Life	50,000-1,000,000 Shots
Payment	T/T, L/C, PayPal, Etc.
Pressure	0-500T
Weight	0.1-50kg
Tolerance	±0.01mm
Material	Aluminum, Zinc, Magnesium, Copper, Etc.
Processing	Die Casting, CNC Machining, Etc.
Lead Time	7-15 Days
Metal Injection Moldings	Available
Zinc Alloy Castings	Available
Aluminum Alloy Castings	Available
Magnesium Alloy Castings	Available

Applications:

YWY444, a product of YWY, is a high-quality die casting component which is made of different kinds of materials such as aluminum, zinc, magnesium and copper. It offers excellent tolerance up to ±0.01mm and a long mold life ranging from 50,000 to 1,000,000 shots. It is suitable for various applications like metal injection moldings, lost wax castings, zinc alloy castings and aluminum alloy die castings. The size and shape of the product can also be customized as per customer requirement. It is manufactured with advanced die casting and CNC machining techniques.

Customization:

Customized Die Casting Components by YWY

YWY offers custom die casting components, with the following specifications:

Brand Name: YWY
Model Number: YWY444
Place of Origin: Guangdong, Huizhou
Package: Wooden Case/Pallet
Design: 3D/2D Drawing
Weight: 0.1-50kg
Size: Customized
Lead Time: 7-15 Days
Specialized in Lost Wax Castings, High-pressure Die Castings, Metal Injection Moldings

Support and Services:

Die Casting Components

We provide technical support and services for our die-casting components. Our team of specialists are available to provide technical assistance in a variety of ways, including:

- Assessment and diagnosis of technical problems
- Design and engineering support
- Advice and troubleshooting
- Testing and validation
- Installation and commissioning
- Maintenance and repair

If you have any questions or need any assistance with our products, please do not hesitate to contact us.
