

Automotive Aluminium Casting Components Anodizing Plating

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- Weight: 0.1-50kg
- Lead Time: 7-15 Days
- Size: Customized
- Surface Finish: Polishing, Anodizing, Plating, Painting, Etc.
- Processing: Die Casting, CNC Machining, Etc.
- Package: Wooden Case/Pallet
- Shipping: By Sea/Air/Express
- Design: 3D/2D Drawing
- Highlight: Automotive Aluminium Casting Components, Anodizing Aluminium Casting Components

Product Description

Product Description:

Die Castings are precision components that are produced using gravity castings, lost wax castings, low-pressure castings, and die castings. These components are created to exact specifications with a lead time of 7-15 days. Die Castings are widely used for a variety of applications, including automotive, electronics, and industrial, making them versatile and reliable. Payment methods are flexible and accepted in many forms, such as T/T, L/C, and PayPal. The pressure range of 0-500T allows for precision, and packages can be customized to suit customer needs, such as wooden cases or pallets. Die Castings are high-quality and long-lasting, making them the ideal choice for any project or industry.

Features:

Product Name: Die Casting Components

Tolerance: $\pm 0.01\text{mm}$

Shipping: By Sea/Air/Express

Mold Life: 50,000-1,000,000 Shots

Package: Wooden Case/Pallet

Weight: 0.1-50kg

Processing: Lost Wax Castings, Metal Injection Moldings, High-pressure Die Castings

Technical Parameters:

Parameter	Description
Weight	0.1-50kg
Design	3D/2D Drawing
Size	Customized
Surface Finish	Polishing, Anodizing, Plating, Painting, Etc.
Shipping	By Sea/Air/Express
Application	Automotive, Electronics, Industrial, Etc.
Material	Aluminum, Zinc, Magnesium, Copper, Etc.
Payment	T/T, L/C, PayPal, Etc.
Processing	Die Casting, CNC Machining, Etc.
Package	Wooden Case/Pallet
Material	Magnesium Alloy Castings, Zinc Alloy Castings, Sand Castings, Investment Castings

Applications:

Die Casting Components

YWY Manufacture is a professional metal die casting components manufacturer in China, providing a variety of die casting services, including metal injection moldings, lost wax castings, high-pressure die castings, low-pressure die castings and gravity castings. Our Brand Name is ywy, Model Number is ywy444. We have strict tolerance requirements of $\pm 0.01\text{mm}$. All our die casting components are made in our factory in Guangdong Huizhou. The average Lead Time is 7-15 Days. The Mold Life is between 50,000-1,000,000 shots. We accept a variety of payment methods, including T/T, L/C, PayPal, etc.

Our die casting components are widely used in automotive, electronics, industrial and other fields. We use advanced technology and equipment to ensure that all our die castings meet the highest quality and performance standards. We are committed to providing our customers with the highest quality products at the most competitive prices.

Customization:

Our **Die Casting Components** are manufactured by **YWY**, with model number **YWY444**. Our components are produced in **Guangdong Huizhou**. We offer **low-pressure castings, lost wax castings, sand castings and gravity castings** for our clients. Delivery is available by Sea/Air/Express, with lead time of 7-15 days. We accept payment by T/T, L/C, PayPal, etc. Our mold life is 50,000-1,000,000 shots, and we guarantee $\pm 0.01\text{mm}$ tolerance.

Support and Services:

Die Casting Components Technical Support and Service

We provide professional technical support and service for Die Casting Components products. Our experienced technicians and engineers are available to answer any questions you may have and to help you find the best product for your needs.

We offer a variety of services, including:

Custom Design and Manufacture

Product Testing and Analysis

Installation and Maintenance

Technical Support

On-site Troubleshooting and Repair

We strive to provide the highest quality products and services to ensure customer satisfaction. If you have any questions about our products or services, please contact us today and we will be happy to help.
