

Stainless Steel Aluminum CNC Turning Milling Parts $\pm 0.01\text{mm}$ Tolerance

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- Tolerance: $\pm 0.01\text{mm}$
- Material: Stainless Steel, Aluminum, Brass, Etc.
- Drawing Format: PDF, IGS, STP, DWG, Etc.
- Processing Method: CNC Turning Milling
- Package: Carton, Wooden Case, Etc.
- Advantage: High Precision, Fast Delivery, Etc.
- Lead Time: 7-15 Days
- Application: Automotive, Aerospace, Etc.
- Highlight: **Stainless Steel CNC Turning Milling Parts, Aluminum CNC Turning Milling Parts**

Product Description

Product Description:

CNC Turning Milling Parts are machined products produced by CNC turning machining and CNC milling process. Our CNC turning milling parts have advantages of high precision, fast delivery and other benefits. These CNC machined parts can be made of stainless steel, aluminum, brass and other materials with tolerance up to $\pm 0.01\text{mm}$. We provide various package, including carton, wooden case and etc. OEM and ODM service are also available to meet customers' needs.

CNC machining is a process of cutting and shaping materials with the help of CNC machine and cutting tools. It is widely used in the production of various CNC turning machining parts, CNC milling process parts and CNC milling manufacturing parts. With CNC turning machining and CNC milling process, we can produce CNC turning milling parts of various shapes, sizes and materials with high accuracy and efficiency.

CNC turning milling parts produced by us can provide you with the best quality and performance. Our CNC turning milling parts can meet your application requirements, and our professional engineers are committed to providing you with satisfactory service. We guarantee that all CNC turning milling parts produced by us will meet your needs.

Features:

Product Name: CNC Turning Milling Parts

Material: Stainless Steel, Aluminum, Brass, Etc.

Tolerance: $\pm 0.01\text{mm}$

Lead Time: 7-15 Days

MOQ: 1 Piece

Drawing Format: PDF, IGS, STP, DWG, Etc.

Special Feature: CNC Turning Fabricated Parts, CNC Milling Manufactured Parts, CNC Milling Fabricated Parts

Technical Parameters:

Parameter	Value
Package	Carton, Wooden Case, Etc.
Application	Automotive, Aerospace, Etc.
Shipping	Express, Air, Sea
Surface Treatment	Polishing, Anodizing, Zinc Plating, Etc.
Drawing Format	PDF, IGS, STP, DWG, Etc.
OEM/ODM	Accept
Lead Time	7-15 Days
Material	Stainless Steel, Aluminum, Brass, Etc.
Product Size	Customized
Tolerance	$\pm 0.01\text{mm}$
Type	CNC Milling Manufacturing Parts, CNC Milling Manufactured Parts, CNC Turning Manufacturing Parts, CNC Turning Manufactured Parts

Applications:

CNC Turning Milling Parts, manufactured by YWY, is an ideal solution for complex parts manufacturing projects. Model number CNC202 offers a range of advantages, including high precision, fast delivery, and a variety of surface treatment options. The CNC Turning Milling Parts are widely used in a range of industries, including automotive, aerospace, and more. The CNC Turning Process Parts feature a precise and accurate CNC Milling Manufacturing Parts process, which achieves excellent precision, even in complex parts. The CNC Milling Manufactured Parts are also created with a variety of surface treatments, such as polishing, anodizing, and zinc plating, to meet customer requirements. Furthermore, YWY offers convenient delivery options, including express, air, and sea shipping, to help customers save time and money.

Customization:

CNC Turning Milling Fabricated Parts Customized Service

Brand Name: ywy
Model Number: cnc202
Place of Origin: Guangdong, Huizhou
Lead Time: 7-15 Days
Advantage: High Precision, Fast Delivery, etc.
Tolerance: $\pm 0.01\text{mm}$
Drawing Format: PDF, IGS, STP, DWG, etc.
Product Size: Customized
We provide customized services for CNC Turning Fabricated Parts and CNC Milling Fabricated Parts. Our products have high precision and fast delivery. Our tolerance is $\pm 0.01\text{mm}$ and the drawing format is PDF, IGS, STP, DWG, etc. The product size can be customized according to customer's requirements.

Support and Services:

CNC Turning Milling Parts provides technical support and service that includes but is not limited to:

- Design and engineering
- Manufacturing and production
- Quality control and inspection
- Product testing and certification
- Product assembly and packaging
- Troubleshooting and maintenance
- Spare parts and accessories
- Training and instruction
