

High Precision CNC Turning Machining Parts in PDF Format with Tolerance of $\pm 0.01\text{mm}$

Our Product Introduction

For more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: cnc202
- Minimum Order Quantity: 1
- Price: 0.68-6.68
- Packaging Details: Bubble paper box packaging
- Delivery Time: 10-15
- Supply Ability: long-term

Product Specification

- Product Size: Customized
- Processing Method: CNC Turning Milling
- Drawing Format: PDF, IGS, STP, DWG, Etc.
- Application: Automotive, Aerospace, Etc.
- Surface Treatment: Polishing, Anodizing, Zinc Plating, Etc.
- Shipping: Express, Air, Sea
- OEM/ODM: Accept
- Advantage: High Precision, Fast Delivery, Etc.
- Highlight: **High Precision CNC Turning Machining Parts, PDF Format CNC Turning Machining Parts, 0.01mm Tolerance CNC Turning Machining Parts**

Product Description

Product Description:

CNC Turning Milling Parts

Our CNC Turning Milling Parts are high-quality, precision-engineered components that are essential for a variety of industries and applications. With our state-of-the-art CNC milling and turning machines, we are able to produce parts that meet the most stringent requirements and specifications.

Our products are available in a wide range of materials, including aluminum, stainless steel, and plastic. We offer a variety of surface treatments such as polishing, anodizing, and zinc plating to meet the specific needs of our customers. Our parts are not only functional, but also aesthetically pleasing.

With our advanced CNC milling technology, we are able to produce parts with complex shapes and designs. Our CNC Milling Fabricated Parts, CNC Milling Manufacturing Parts, and CNC Milling Manufactured Parts are all made with precision and accuracy, ensuring a perfect fit and function for your projects.

We understand the importance of fast turnaround time in today's fast-paced market. That's why we have optimized our production process to provide a lead time of 7-15 days for our CNC Turning Milling Parts. We strive to deliver your orders on time, every time. To ensure the highest quality of our products, we accept a variety of drawing formats, including PDF, IGS, STP, DWG, and more. Our team of skilled engineers and technicians will work closely with you to ensure that your designs are accurately translated into our CNC Turning Milling Parts.

At our company, we have no minimum order quantity (MOQ) requirement. Whether you need just one piece or a large batch of CNC Turning Milling Parts, we are here to meet your needs. Our flexible production capabilities allow us to cater to a wide range of customer demands.

Choose our CNC Turning Milling Parts for your next project and experience the quality, precision, and efficiency that our products can offer. Contact us today to request a quote or to learn more about our services.

Features:

Product Name: CNC Turning Milling Parts

MOQ: 1 Piece

Application: Automotive, Aerospace, Etc.

Processing Method: CNC Turning Milling

Advantage: High Precision, Fast Delivery, Etc.

Surface Treatment: Polishing, Anodizing, Zinc Plating, Etc.

Key Features:

CNC Milling Manufactured Parts

CNC Turning Manufactured Parts

CNC Milling Process Parts

CNC Turning Process Parts

Technical Parameters:

Technical Parameter	Value
Tolerance	±0.01mm
Product Size	Customized
Processing Method	CNC Turning Milling
Package	Carton, Wooden Case, Etc.
Surface Treatment	Polishing, Anodizing, Zinc Plating, Etc.
Shipping	Express, Air, Sea
Drawing Format	PDF, IGS, STP, DWG, Etc.
Application	Automotive, Aerospace, Etc.
OEM/ODM	Accept
Lead Time	7-15 Days
Key Features	
CNC Milling Fabricated Parts	Customized parts fabricated using CNC milling technology
CNC Turning Machining Parts	Customized parts fabricated using CNC turning technology
CNC Turning Machining Parts With Thread	Customized parts fabricated using CNC turning technology with thread features

Applications:

CNC Turning Milling Parts - The Perfect Solution for Precision Machining Needs

Welcome to the world of CNC Turning Milling Parts, where precision meets efficiency. Our brand, **ywy**, is a trusted name in the manufacturing industry, known for delivering high-quality CNC parts with exceptional precision and accuracy. Our Model Number **cnc202** is designed to meet the diverse needs of our customers, making it the go-to choice for various applications.

Application Scenarios

Our CNC Turning Milling Parts have a wide range of applications, making them the ideal choice for a variety of industries. Some of the common application scenarios include:

Automotive Industry: Our precision machining parts are used in the production of various automotive components, such as engine parts, gearboxes, and suspension systems.

Aerospace Industry: With strict quality and precision requirements, the aerospace industry relies heavily on CNC Turning Milling Parts for the production of aircraft components.

Electronics Industry: Our CNC Parts are widely used in the production of electronic devices, such as smartphones, laptops, and other consumer electronics.

Medical Industry: The medical industry requires high precision and accuracy in the production of medical devices and equipment, making our CNC Turning Milling Parts an ideal choice.

Product Features

Our CNC Turning Milling Parts are known for their exceptional features, making them the top choice for precision machining needs:

High Quality: We use the latest CNC technology and high-quality materials to ensure that our parts meet the highest quality standards.

CNC Milling Manufactured Parts: Our parts are manufactured using CNC milling process, ensuring precise and accurate results every time.

CNC Turning Process Parts: Our CNC Turning process ensures efficient and fast production, meeting even the tightest deadlines.

Precision Machining Parts: Our parts are manufactured with a tolerance of $\pm 0.01\text{mm}$, making them perfect for applications that require high precision.

OEM/ODM: We offer OEM/ODM services, allowing our customers to customize their parts according to their specific needs.

Product Specifications

Brand Name: ywy

Model Number: cnc202

Place of Origin: guangdonghuizhou

Minimum Order Quantity: 1 Piece

Price: 0.68-6.68

Packaging Details: Bubble paper box packaging

Delivery Time: 10-15 days

Supply Ability: long-term

Package: Carton, Wooden Case, Etc.

OEM/ODM: Accept

MOQ: 1 Piece

Tolerance: $\pm 0.01\text{mm}$

Drawing Format: PDF, IGS, STP, DWG, Etc.

With our commitment to quality, efficiency, and customer satisfaction, our CNC Turning Milling Parts are the perfect solution for all your precision machining needs. Contact us now to get a quote and experience the excellence of ywy CNC parts.

Customization:

Brand Name: ywy

Model Number: cnc202

Place of Origin: guangdonghuizhou

Minimum Order Quantity: 1

Price: \$0.68-\$6.68

Packaging Details: Bubble paper box packaging

Delivery Time: 10-15 days

Supply Ability: Long-term

Advantage: High Precision, Fast Delivery, Etc.

Surface Treatment: Polishing, Anodizing, Zinc Plating, Etc.

MOQ: 1 Piece

Lead Time: 7-15 Days

Material: Stainless Steel, Aluminum, Brass, Etc.

Customization Service for CNC Turning Milling Parts

Our CNC Turning Milling Parts, with the brand name of ywy, are available for customization to meet your specific needs and requirements. Our model number for this product is cnc202 and it is produced in guangdonghuizhou. The minimum order quantity for our customized parts is 1 piece, and the price ranges from \$0.68 to \$6.68.

We ensure that our products are securely packaged in bubble paper boxes to avoid any damage during transportation. The delivery time for our customized parts is 10-15 days, and we have a long-term supply ability to meet your demands.

Our CNC Turning Milling Parts have the advantage of high precision and fast delivery. We also offer various surface treatments such as polishing, anodizing, and zinc plating to enhance the appearance and functionality of our parts. The MOQ for our customization service is 1 piece, and the lead time is 7-15 days.

We use high-quality materials such as stainless steel, aluminum, and brass for our CNC Turning Milling Parts to ensure their durability and performance. With our customization service, you can have the perfect parts tailored to your specific needs and requirements. Trust us to deliver the best results for your CNC Milling Manufactured Parts and CNC Turning Manufacturing Parts.

Packing and Shipping:

Product Name: CNC Turning Milling Parts

Packaging and Shipping

Packaging:

Our CNC Turning Milling Parts are carefully packaged to ensure safe delivery to our customers. Each part is individually wrapped in protective material and placed in a sturdy box to prevent damage during shipping. We also use outer packaging materials such as bubble wrap, foam, or crumpled paper to provide extra protection.

For larger or bulk orders, we use pallets to secure and transport the parts. Each pallet is shrink-wrapped and labeled with the necessary shipping information for easy identification and tracking.

Shipping:

We offer various shipping options to meet our customers' needs and preferences. Our standard shipping method is by air or sea, depending on the size and weight of the order. We also offer express shipping for urgent orders.

We work with reliable and trusted shipping carriers to ensure timely delivery and safe handling of our products. We provide tracking information for all orders so our customers can monitor their shipment's progress.

For international orders, we handle all necessary customs and export documentation to ensure a smooth and hassle-free shipping process.

At CNC Turning Milling Parts, we are committed to delivering our products to our customers in a timely and safe manner. We strive to provide the best packaging and shipping services to ensure our customers' satisfaction with every order.

FAQ:

Q: What is the brand name of this product?

A: The brand name of this product is ywy.

Q: What is the model number of this product?

A: The model number of this product is cnc202.

Q: Where is this product manufactured?

A: This product is manufactured in guangdonghuizhou.

Q: What is the minimum order quantity for this product?

A: The minimum order quantity for this product is 1.

Q: What is the price range for this product?

A: The price range for this product is 0.68-6.68.

Q: How is this product packaged?

A: This product is packaged in bubble paper box packaging.

Q: What is the estimated delivery time for this product?

A: The estimated delivery time for this product is 10-15 days.

Q: What is the supply ability for this product?

A: The supply ability for this product is long-term.
