

Custom Precision CNC Machined Parts Inspection Various Processing Methods

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

Product Specification

- Tolerance: $\pm 0.01\text{mm}$
- Packaging: Standard Export Carton Or Customized
- Quality Control: 100% Inspection Before Shipment
- MOQ: 1 Piece
- Drawing Format: PDF, DWG, IGS, STEP, Etc.
- Processing Method: CNC Machining, Turning, Milling, Etc.
- Size: Customized
- Application: Automotive, Aerospace, Medical, Etc.
- Highlight: **Various Processing CNC Machined Parts, Inspection CNC Machined Parts, Custom CNC Machined Parts**

Product Description

Product Description:

Our CNC machined parts are available in a variety of sizes and materials, including aluminum, steel, brass, and others. No matter what material you choose, you can be sure that our parts are made to last and will meet all your requirements.

Our processing methods include CNC machining, turning, milling, and more. This allows us to create complex shapes and designs with ease, ensuring that your parts are made to the highest standards of quality and precision. Whether you need a prototype or a large production run, we have the expertise and equipment to get the job done right.

At our company, we also offer a variety of surface treatments to enhance the appearance and durability of your CNC machined parts.

Our surface treatment options include anodizing, plating, painting, and others. This ensures that your parts will look great and withstand the demands of your application.

Our lead time for CNC machined parts is 7-15 days, depending on the complexity of the part and the quantity needed. We understand that time is of the essence, which is why we work hard to deliver your parts quickly and efficiently.

Overall, our CNC machined parts are a reliable and cost-effective solution for your manufacturing needs. With our advanced technology and experienced team, we can provide you with computer-controlled machining parts that meet all your requirements and exceed your expectations.

Features:

Product Name: CNC Machined Parts

Quality Control: 100% Inspection Before Shipment

Tolerance: $\pm 0.01\text{mm}$

Material: Aluminum, Steel, Brass, Etc.

Packaging: Standard Export Carton Or Customized

Size: Customized

Computerized machining parts

Computerized Numerical Cutting parts

CNC-manufactured components

Technical Parameters:

Product Attribute	Value
Drawing Format	PDF, DWG, IGS, STEP, Etc.
Lead Time	7-15 Days
Quality Control	100% Inspection Before Shipment
Material	Aluminum, Steel, Brass, Etc.
OEM/ODM	Acceptable
Application	Automotive, Aerospace, Medical, Etc.
MOQ	1 Piece
Processing Method	CNC Machining, Turning, Milling, Etc.
Tolerance	$\pm 0.01\text{mm}$
Delivery Method	DHL, FedEx, UPS, Etc.

Computerized machining parts, Computer-aided manufacturing parts, Numerically-controlled machining parts

Applications:

Our CNC machined parts are suitable for a variety of applications, including automotive, aerospace, medical, and more. These parts are highly precise, with a tolerance of $\pm 0.01\text{mm}$, making them ideal for use in industries where accuracy is critical.

Our packaging details include EPE foam, anti-rust paper, stretch film, plastic bags, and cartons to ensure the products are protected during transportation. Our delivery time is quick, and we accept various payment terms to make it easier for customers to purchase our products.

Our minimum order quantity is only 50 pieces, and the price ranges from \$2.35 to \$12.68 per piece, making our products affordable for a wide range of customers. We also offer 100% inspection before shipment to ensure the products are of the highest quality.

Our supply ability is 1000000 Piece/Pieces per Month, and we have a MOQ of only 1 piece, making it easier for customers to get the parts they need. Whether you are in the automotive, aerospace, medical, or any other industry that requires precision parts, Yuanwenyu's CNC machined parts are the perfect solution for your needs.

Customization:

We require a minimum order quantity of 50 pieces, and our prices range from \$2.35 to \$12.68 per piece, depending on specifications and

volume. Our packaging details include EPE foam, Anti-Rust Paper, Stretch Film, Plastic bag +Carton, and our delivery time is 1 day. We accept various payment terms, including delivery methods such as DHL, FedEx, UPS, etc. We also offer supply ability of 1000000 Piece/Pieces per Month, with 100% inspection before shipment. Our packaging is available in both standard export carton or customized, and we accept drawing formats such as PDF, DWG, IGS, STEP, etc. Contact us today for all your Computer-Numerically-Controlled parts needs.

Support and Services:

Our CNC Machined Parts are designed and manufactured to meet the highest standards of quality and precision. If you require technical support or assistance with installation, our team of experts is available to help you.

We offer a range of services to ensure that your CNC Machined Parts are operating at peak performance. These services include:

Regular maintenance and inspections

Repair and replacement of damaged or worn parts

Upgrades and modifications to improve performance or functionality

Training and education for your staff to ensure proper use and maintenance of the equipment

If you have any questions or concerns about our CNC Machined Parts or the services we offer, please do not hesitate to contact us. Our team is dedicated to providing you with the best possible support and service.

Packing and Shipping:

Product Packaging:

All CNC machined parts will be carefully wrapped in bubble wrap to protect them during shipping.

Smaller parts will be placed in plastic bags, while larger parts will be placed in sturdy cardboard boxes.

Each box will be clearly labeled with the part name and quantity.

A packing slip will be included in each box.

Shipping:

Shipping will be handled by a reputable carrier such as UPS or FedEx.

Tracking information will be provided once the order has been shipped.

Shipping costs will be calculated based on the weight and destination of the order.

Orders will be shipped within 1-2 business days of receiving payment.

FAQ:

Q: What is the brand name of this product?

A: The brand name of this product is yuanwenyu.

Q: What are the available models for this product?

A: The available models for this product are 1X893 and OEM.

Q: Where is this product made?

A: This product is made in Guangdong, China.

Q: Does this product come with any certification?

A: Yes, this product comes with certification 1.

Q: What is the minimum order quantity for this product?

A: The minimum order quantity for this product is 50 pieces.

Q: What is the price range for this product?

A: The price range for this product is between \$2.35 and \$12.68 per piece.

Q: What is the packaging used for this product?

A: The packaging used for this product includes EPE foam, Anti-Rust Paper, Stretch Film, Plastic bag, and Carton.

Q: How long does it take to deliver this product?

A: Delivery time for this product is 1 day.

Q: What are the payment terms for this product?

A: The payment terms for this product are 1.

Q: What is the supply ability of this product?

A: The supply ability of this product is 1000000 Piece/Pieces per Month.
