

Precision CNC Machined Parts Customized for Your Industrial Production Requirements

Our Product Introduction

For more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

Product Specification

- Material: Aluminum, Steel, Brass, Etc.
- Delivery Method: DHL, FedEx, UPS, Etc.
- Packaging: Standard Export Carton Or Customized
- MOQ: 1 Piece
- Tolerance: ± 0.01 mm
- Size: Customized
- Surface Treatment: Anodizing, Plating, Painting, Etc.
- Drawing Format: PDF, DWG, IGS, STEP, Etc.
- Highlight: Precision CNC Machined Parts,
Industrial Production CNC Machined Parts,
Customized CNC Machined Parts

Product Description

Product Description:

Our Numerically-controlled machining parts are made using advanced CNC machines that ensure accurate and consistent results every time. We can produce customized CNC machined parts in various sizes and shapes according to your unique specifications. We accept various drawing formats such as PDF, DWG, IGS, STEP, and many more.

Whether you need a single piece or thousands of pieces, we can deliver the CNC machined parts you need. Our MOQ is one piece, so you can order as few or as many parts as you need. We can also provide you with a range of packaging options including standard export cartons or customized packaging to meet your specific needs.

Our CNC machined parts are perfect for various applications such as prototyping, tooling, and production. We use the latest technologies and techniques to ensure that our parts meet the highest standards of quality and precision.

With our extensive experience and expertise in CNC machining, we are confident that we can provide you with the highest quality CNC machined parts that meet your requirements and exceed your expectations.

Features:

Product Name: CNC Machined Parts

Material: Aluminum, Steel, Brass, Etc.

Surface Treatment: Anodizing, Plating, Painting, Etc.

Quality Control: 100% Inspection Before Shipment

MOQ: 1 Piece

Application: Automotive, Aerospace, Medical, Etc.

Our CNC-machined components are made from high-quality materials such as aluminum, steel, brass, etc. and can be finished with a variety of surface treatments including anodizing, plating, and painting. Each part undergoes 100% inspection before shipment to ensure the highest level of quality control. With a low MOQ of just 1 piece, our Computerized Numerical Cutting parts are perfect for a wide range of applications including automotive, aerospace, medical, and more.

Technical Parameters:

Technical Parameters	Description
Product Name	CNC Machined Parts
Product Type	Computer-Numerically-Controlled parts, Precision machined parts, Computer-aided machining parts
MOQ	1 Piece
Material	Aluminum, Steel, Brass, Etc.
Size	Customized
Tolerance	±0.01mm
Drawing Format	PDF, DWG, IGS, STEP, Etc.
Application	Automotive, Aerospace, Medical, Etc.
Surface Treatment	Anodizing, Plating, Painting, Etc.
Lead Time	7-15 Days
OEM/ODM	Acceptable
Delivery Method	DHL, FedEx, UPS, Etc.

Applications:

The CNC machined parts are suitable for various application occasions and scenarios, including the automotive industry, aerospace industry, medical industry, and electronics industry. The parts can be used to manufacture engine components, aircraft parts, surgical instruments, and computer parts, among others. The parts' size can be customized to meet specific customer needs and requirements, and the drawing formats supported include PDF, DWG, IGS, and STEP, among others.

The CNC machined parts have been certified to meet industry standards, and the minimum order quantity is 50 pieces. The price ranges from \$2.35 to \$12.68 per piece, depending on the part's complexity and size. The packaging details include EPE foam, anti-rust paper, stretch film, and plastic bags, plus carton. The parts are delivered via DHL, FedEx, UPS, among other delivery methods.

The delivery time and payment terms are negotiable to suit the customer's needs. The supply ability is 1000000 Piece/Pieces per Month, ensuring that customers' orders are delivered on time. The packaging is done in standard export cartons or customized to suit specific customer needs.

In summary, if you are looking for precision and accuracy in your manufacturing processes, then Yuanwenyu's CNC machined parts are the right fit for you. Contact us today and place your order to enjoy the best quality CNC machined parts in the market.

Customization:

Product Customization Services for CNC Machined Parts

Brand Name: yuanwenyu
Model Number: 1X893, OEM
Place of Origin: Guangdong, China
Certification: 1
Minimum Order Quantity: 50 pieces
Price: \$2.35 - \$12.68/piece
Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
Delivery Time: 1
Payment Terms: 1
Supply Ability: 1000000 Piece/Pieces per Month
Tolerance: $\pm 0.01\text{mm}$
OEM/ODM: Acceptable
Drawing Format: PDF, DWG, IGS, STEP, Etc.
Processing Method: Computer-Numerically-Controlled parts, Turning, Milling, Etc.
MOQ: 1 Piece

Support and Services:

Our CNC Machined Parts product comes with comprehensive technical support and services to ensure that you have a smooth and successful experience. Our team of experienced engineers is available to provide you with assistance in the following areas:

Design review and optimization

Material selection

CNC programming

Quality inspection and testing

Custom packaging and labeling

We also offer on-site installation and training services to help you get up and running quickly and efficiently. Our goal is to provide you with the highest quality machined parts and the support you need to achieve your production goals.

Packing and Shipping:

Product Packaging:

All CNC machined parts will be carefully packaged and protected to ensure safe delivery to your doorstep. We use high-quality packaging materials to prevent any damage during transit.

Shipping:

We offer fast and reliable shipping options for our CNC machined parts. Our shipping rates are competitive and we can ship to almost any location worldwide. Once your order has been processed and shipped, you will receive a tracking number so you can track your package every step of the way.

FAQ:

Q1: What is the brand name of this product?

A1: The brand name of this product is yuanwenyu.

Q2: What is the minimum order quantity (MOQ) for this product?

A2: The MOQ for this product is 50 pieces.

Q3: What is the price range for this product?

A3: The price range for this product is between \$2.35 to \$12.68 per piece.

Q4: What is the delivery time for this product?

A4: The delivery time for this product is dependent on several factors such as order quantity, customization requirements, and shipping destination. Please contact us for more details.

Q5: What is the supply ability for this product?

A5: The supply ability for this product is 1000000 piece/pieces per month.
