

Machinery Customized CNC Machined Parts in Steel Material with Tolerance of $\pm 0.01\text{mm}$

Our Product Introduction

For more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

Product Specification

- Packaging: Standard Export Carton Or Customized
- MOQ: 1 Piece
- Application: Automotive, Aerospace, Medical, Etc.
- Tolerance: $\pm 0.01\text{mm}$
- Drawing Format: PDF, DWG, IGS, STEP, Etc.
- Surface Treatment: Anodizing, Plating, Painting, Etc.
- Lead Time: 7-15 Days
- Material: Aluminum, Steel, Brass, Etc.
- Highlight: **Steel Material CNC Machined Parts,
 $\pm 0.01\text{mm}$ Tolerance CNC Machined Parts,
Customized CNC Machined Parts**

Product Description

Product Description:

At our manufacturing facility, we take quality control seriously. Each part undergoes a 100% inspection before shipment to ensure it meets our high standards. You can trust that our expert team will deliver reliable and durable Computer-Numerically-Controlled parts that will exceed your expectations.

Our lead time for CNC Machined Parts is 7-15 days, so you can expect a fast turnaround time. We offer delivery methods such as DHL, FedEx, UPS, and more, so you can choose the option that works best for you.

Whether you need Computer-aided machining parts for a small project or a large-scale production run, we are here to help. Our team of experienced professionals will work with you every step of the way to ensure your needs are met. Contact us today to learn more about our CNC Machined Parts and how we can help you achieve your goals.

Features:

Product Name: CNC Machined Parts

Size: Customized

Lead Time: 7-15 Days

Delivery Method: DHL, FedEx, UPS, Etc.

OEM/ODM: Acceptable

Material: Aluminum, Steel, Brass, Etc.

Computerized machining parts

Computerized Numerical Cutting parts

Computer-aided machining parts

Technical Parameters:

Technical Parameters	Description
Product Name	CNC Machined Parts
Type	Precision machined parts
Size	Customized
Tolerance	$\pm 0.01\text{mm}$
Lead Time	7-15 Days
MOQ	1 Piece
Packaging	Standard Export Carton Or Customized
Delivery Method	DHL, FedEx, UPS, Etc.
Quality Control	100% Inspection Before Shipment
Surface Treatment	Anodizing, Plating, Painting, Etc.
OEM/ODM	Acceptable
Application	Automotive, Aerospace, Medical, Etc.

Applications:

Yuanwenyu is a trusted brand for computer-controlled machining parts. Our CNC machined parts are made of high-quality materials like aluminum, steel, brass, etc., and are processed using advanced methods such as CNC machining, turning, milling, etc. With a tolerance of $\pm 0.01\text{mm}$, our products are highly precise and accurate.

Our CNC machined parts are versatile and can be used in various applications. Below are some of the product application occasions and scenarios:

Automotive Industry: Our CNC machined parts are commonly used in the automotive industry. They are used in the manufacturing of engines, transmissions, suspension systems, and other vital parts of vehicles.

Aerospace Industry: The aerospace industry requires high-precision and reliable parts for their aircraft. Our CNC machined parts are suitable for the production of various aerospace components, including landing gear, engine parts, and avionics systems.

Medical Industry: The medical industry requires parts that are precise and reliable. Our CNC machined parts are used in the production of medical equipment like surgical instruments, implants, and diagnostic devices.

Electronics Industry: The electronics industry is a fast-paced and continuously evolving industry that requires high-quality parts for the production of various electronic devices. Our CNC machined parts are used in the production of computer components, mobile phones, and other electronic devices.

Industrial Machinery: Our CNC machined parts are used in the production of industrial machinery. They are used in the manufacturing of gears, shafts, and other vital components that make up industrial machinery.

Our CNC machined parts come in different sizes, and we can customize them to meet our clients' specific needs. Our products are certified and meet the required quality standards. Our minimum order quantity is 50 pieces, and our prices range from \$2.35 to \$12.68 per piece, depending on the product specifications and quantity ordered. We package our products using EPE foam, anti-rust paper, stretch film, plastic bags, and cartons to ensure they are well-protected during transportation. We offer fast delivery times and flexible payment terms to make it easy for our clients to do business with us. With a supply ability of 1000000 Piece/Pieces per Month, we can cater to our clients' demands efficiently.

Customization:

Our CNC machined parts are certified and originate from Guangdong, China. The minimum order quantity is 50 pieces and the price ranges from \$2.35 to \$12.68 per piece. We pack our products with EPE foam, anti-rust paper, stretch film, plastic bag, and carton for safe delivery. We offer a quick delivery time of 1 day and accept various payment terms to make your purchasing experience as easy as possible.

We have a supply ability of 1000000 pieces per month and offer delivery methods such as DHL, FedEx, UPS, and more. Our OEM/ODM services are also available to meet your specific requirements. Choose yuanwenyu for all your CNC machined parts needs!

Support and Services:

Our CNC Machined Parts product is backed by a team of highly skilled technical support and service professionals. Our experts provide comprehensive support to help you get the most out of your product. Our services include:

Installation and setup assistance

Training and education on product operation and maintenance

Troubleshooting and technical problem-solving

Repair and replacement services

Regular maintenance and inspection services to ensure optimal performance and prevent downtime

Our technical support and service team is dedicated to providing timely and effective solutions to any issues you may encounter. Contact us to learn more about how we can help you maximize the performance and lifespan of your CNC Machined Parts product.

Packing and Shipping:

Our CNC machined parts are carefully packed to ensure they arrive to you in perfect condition. Each part is individually wrapped in protective material and placed in a sturdy cardboard box.

Shipping:

We offer worldwide shipping for our CNC machined parts. We use trusted shipping carriers to ensure your order is delivered to you on time and in good condition. Shipping costs will vary depending on your location and the size of your order. Please note that any customs or import duties are the responsibility of the customer.

FAQ:

Q1: What is the Brand Name of the CNC Machined Parts?

A1: The Brand Name of the CNC Machined Parts is yuanwenyu.

Q2: What is the Minimum Order Quantity for the CNC Machined Parts?

A2: The Minimum Order Quantity for the CNC Machined Parts is 50 pieces.

Q3: Where are the CNC Machined Parts manufactured?

A3: The CNC Machined Parts are manufactured in Guangdong, China.

Q4: What is the Packaging Details for the CNC Machined Parts?

A4: The Packaging Details for the CNC Machined Parts include EPE foam, Anti-Rust Paper, Stretch Film, and Plastic bag +Carton.

Q5: What is the Delivery Time for the CNC Machined Parts?

A5: The Delivery Time for the CNC Machined Parts is 1.
