

Customized Turning Process Aluminum CNC Machined Parts With Painting And Plating

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

Product Specification

- Surface Treatment: Anodizing, Plating, Painting, Etc.
- Lead Time: 7-15 Days
- Packaging: Standard Export Carton Or Customized
- Tolerance: ± 0.01 mm
- OEM/ODM: Acceptable
- Material: Aluminum, Steel, Brass, Etc.
- Delivery Method: DHL, FedEx, UPS, Etc.
- Size: Customized
- Highlight: **Painting Aluminum CNC Machined Parts,**
Plating Aluminum CNC Machined Parts

Product Description

Product Description:

Our Computer-aided manufacturing parts are customized to your exact specifications, ensuring that they fit your specific application perfectly. Our CNC Machined Parts are available in a wide range of materials, including aluminum, brass, steel, and plastic, and are tailored to suit your particular needs.

Our CNC Machined Parts are manufactured with a tolerance of ± 0.01 mm, ensuring that they meet your exact specifications. This level of precision is achieved by using the latest CNC technology and state-of-the-art equipment.

Our lead time for CNC Machined Parts is 7-15 days, depending on the complexity of the parts and the volume of your order. We understand the importance of timely delivery and strive to meet your deadlines.

Our packaging is designed to ensure that your CNC Machined Parts are protected during shipping. We offer standard export carton packaging or can customize the packaging to meet your specific requirements.

We offer a range of delivery methods for our CNC Machined Parts, including DHL, FedEx, UPS, and more. We work with trusted delivery partners to ensure that your parts are delivered safely and on time.

Trust us to deliver high-quality, precision CNC Machined Parts that meet your exact requirements. Contact us today to discuss your project and to get a quote.

Features:

Product Name: CNC Machined Parts

Size: Customized

Quality Control: 100% Inspection Before Shipment

Drawing Format: PDF, DWG, IGS, STEP, Etc.

Processing Method: CNC Machining, Turning, Milling, Etc.

Tolerance: ± 0.01 mm

Numerically-controlled machining parts, Numerically-controlled machining parts, Numerically-controlled machining parts

Technical Parameters:

Lead Time	7-15 Days
Processing Method	CNC Machining, Turning, Milling, Etc.
Material	Aluminum, Steel, Brass, Etc.
Surface Treatment	Anodizing, Plating, Painting, Etc.
MOQ	1 Piece
Application	Automotive, Aerospace, Medical, Etc.
Packaging	Standard Export Carton Or Customized
Delivery Method	DHL, FedEx, UPS, Etc.
Drawing Format	PDF, DWG, IGS, STEP, Etc.
Quality Control	100% Inspection Before Shipment

Applications:

Yuanwenyu CNC-machined parts are certified to meet industry standards, and customers can order a minimum of 50 pieces with prices ranging from \$2.35 to \$12.68 per piece. The packaging details include EPE foam, anti-rust paper, stretch film, and plastic bags with cartons.

Customers can expect fast delivery times with the option of DHL, FedEx, UPS, and other delivery methods. The supply ability is 1000000 Piece/Pieces per Month, and the payment terms are flexible to meet the needs of various customers.

The CNC-machined parts are made from high-quality materials such as aluminum, steel, brass, and more. These materials are carefully selected to ensure the durability and longevity of the parts. Before shipping, the parts undergo 100% inspection to ensure quality control and customer satisfaction.

The surface treatment options for the CNC-machined parts include anodizing, plating, painting, and more. This allows customers to choose the surface treatment that best fits their application needs.

Yuanwenyu CNC-machined parts are widely used in various industries such as automotive, aerospace, medical, and more. These computer-numerically-controlled parts are designed to meet the specific needs and requirements of each industry.

In conclusion, Yuanwenyu CNC-machined parts are a reliable and high-quality option for customers in need of precision parts. With flexible payment terms, fast delivery times, and various packaging options, customers can expect a seamless experience when ordering these parts.

Customization:

Our yuanwenyu brand offers customized numerically-controlled machining parts, also known as CNC-manufactured components or computer-aided machining parts. Our model number 1X893 and OEM parts are made in Guangdong, China and come with certification. The minimum order quantity is 50 pieces, with prices ranging from \$2.35 to \$12.68 per piece. Our packaging details include EPE foam, anti-rust paper, stretch film, plastic bag, and carton. Delivery time is 1 day and payment terms are flexible. We have the ability to supply up to 1000000 piece/pieces per month. The size of our parts are customized and we accept OEM/ODM orders. The lead time for processing is 7-15 days, with CNC machining, turning, milling, and other methods used. Surface treatment options include anodizing,

plating, painting, and more.

Support and Services:

Our CNC Machined Parts are designed and manufactured to meet the highest quality standards. We offer technical support and services to ensure that our customers are able to fully benefit from our product. Our team of experts can provide assistance with installation, operation, and maintenance of CNC Machined Parts. We also offer repair and replacement services to keep your machinery running smoothly. Our goal is to provide exceptional customer support and ensure the satisfaction of our customers.

Packing and Shipping:

Product Packaging:

Our CNC machined parts are carefully packaged to ensure they arrive at your doorstep in perfect condition. We use high-quality materials to protect the parts during shipping, including foam inserts and sturdy cardboard boxes. Each part is individually wrapped to prevent any damage during transit.

Shipping:

We ship our CNC machined parts worldwide using trusted carriers such as FedEx, DHL, and UPS. Depending on your location, shipping times may vary. We offer standard and expedited shipping options to meet your needs. We also provide tracking information so you can follow your shipment's progress until it arrives at your door.

FAQ:

Q: What is the brand name of the CNC Machined Parts?

A: The brand name of the CNC Machined Parts is yuanwenyu.

Q: What is the model number of the CNC Machined Parts?

A: The model number of the CNC Machined Parts is 1X893, OEM.

Q: Where is the place of origin of the CNC Machined Parts?

A: The place of origin of the CNC Machined Parts is Guangdong, China.

Q: Is the CNC Machined Parts certified?

A: Yes, the CNC Machined Parts are certified.

Q: What is the minimum order quantity for the CNC Machined Parts?

A: The minimum order quantity for the CNC Machined Parts is 50 pieces.

Q: What is the price range for the CNC Machined Parts?

A: The price range for the CNC Machined Parts is between \$2.35 to \$12.68 per piece.

Q: What are the packaging details for the CNC Machined Parts?

A: The packaging details for the CNC Machined Parts include EPE foam, Anti-Rust Paper, Stretch Film, Plastic bag, and Carton.

Q: What is the delivery time for the CNC Machined Parts?

A: The delivery time for the CNC Machined Parts is 1.

Q: What are the payment terms for the CNC Machined Parts?

A: The payment terms for the CNC Machined Parts are 1.

Q: What is the supply ability of the CNC Machined Parts?

A: The supply ability of the CNC Machined Parts is 1000000 Piece/Pieces per Month.
