

Precise CNC Machined Turning Milling Parts In Comprehensive Package Formats

Our Product Introduction

For more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: cnc202
- Minimum Order Quantity: 1
- Price: 0.68-6.68
- Packaging Details: Bubble paper box packaging
- Delivery Time: 10-15
- Supply Ability: long-term

Product Specification

- Drawing Format: PDF, IGS, STP, DWG, Etc.
- Tolerance: $\pm 0.01\text{mm}$
- Processing Method: CNC Turning Milling
- MOQ: 1 Piece
- Application: Automotive, Aerospace, Etc.
- Package: Carton, Wooden Case, Etc.
- Lead Time: 7-15 Days
- Surface Treatment: Polishing, Anodizing, Zinc Plating, Etc.
- Highlight: **Milling CNC Machined Turning Parts,
Precise CNC Machined Turning Milling Parts**

Product Description

Product Description:

Our products are available in a variety of packaging options, including cartons, wooden cases, and more. We pride ourselves on our ability to provide fast delivery and high-precision parts to our customers with a minimum order quantity of just one piece. We understand the importance of having accurate drawings, which is why we accept a variety of drawing formats including PDF, IGS, STP, DWG, and more. This allows us to provide our customers with the exact components they need, without any guesswork. At our company, we take pride in our ability to provide our customers with superior products and services. Our CNC Turning Milling Parts offer a variety of advantages, including high precision and fast delivery. We understand that our customers have unique needs, which is why we offer both OEM and ODM services to meet their specific requirements.

Features:

Product Name: CNC Turning Milling Parts

Tolerance: $\pm 0.01\text{mm}$

Shipping: Express, Air, Sea

Drawing Format: PDF, IGS, STP, DWG, Etc.

Product Size: Customized

Lead Time: 7-15 Days

Our CNC Turning Milling Parts are precision machined with a tolerance of $\pm 0.01\text{mm}$. We offer shipping options including Express, Air, and Sea. We work with a variety of drawing formats including PDF, IGS, STP, DWG, and more. Our product size is fully customizable to meet your needs. Lead time for our CNC Turning Process Parts is typically 7-15 days.

Some other keywords that describe our product include: CNC Turning Process Parts, CNC Turning Machining Parts.

Technical Parameters:

Technical Parameter	Description
Product Name	CNC Turning Manufacturing Parts
Lead Time	7-15 Days
Advantage	High Precision, Fast Delivery, Etc.
Drawing Format	PDF, IGS, STP, DWG, Etc.
Application	Automotive, Aerospace, Etc.
OEM/ODM	Accept
Shipping	Express, Air, Sea
MOQ	1 Piece
Product Size	Customized
Package	Carton, Wooden Case, Etc.
Surface Treatment	Polishing, Anodizing, Zinc Plating, Etc.
Product Name	CNC Turning Machining Parts
Product Name	CNC Turning Process Parts

Applications:

Featuring advanced CNC turning and milling process parts, the ywy CNC202 delivers outstanding precision and accuracy, making it perfect for complex machining tasks. With a minimum order quantity of just one piece, this product is ideal for both small and large-scale projects.

Thanks to its versatile design, the ywy CNC202 can be customized to suit a variety of different applications. Available in a range of surface treatments including polishing, anodizing, and zinc plating, this product can be tailored to meet your specific requirements. When it comes to packaging and shipping, the ywy CNC202 is designed with convenience in mind. Featuring bubble paper box packaging, this product can be easily transported via express, air, or sea shipping methods. Additionally, it can be packaged in a range of different materials including cartons and wooden cases.

At ywy, we're committed to providing our customers with the highest level of service and support. That's why we offer long-term supply ability and accept OEM/ODM orders. So whether you're looking for CNC milling process parts, CNC turning process parts, or CNC milling machining parts, you can trust ywy to deliver the quality and reliability you need.

With a competitive price range of 0.68-6.68, the ywy CNC202 is an affordable and efficient solution for your machining needs. So why wait? Contact us today to learn more about this innovative product and how it can benefit your business.

Customization:

Support and Services:

Our CNC Turning Milling Parts are designed and manufactured to meet high-quality standards. Our technical support team is available to assist in any product-related inquiries, including installation, operation, and maintenance. We also offer repair and replacement services for any defective or damaged parts. Our team is committed to providing timely and effective solutions to ensure our customers' satisfaction with our products.

Packing and Shipping:

Product Packaging:

The CNC turning milling parts will be securely packaged in a sturdy cardboard box to prevent any damage during transit. The parts will be wrapped in bubble wrap and/or foam to provide additional protection. The box will be labeled with the product name, quantity, and any other necessary information.

Shipping:

We offer various shipping methods including standard, expedited, and express shipping. The shipping cost and estimated delivery time will depend on the shipping method selected and the destination. We use reputable carriers to ensure timely and safe delivery of the CNC turning milling parts. Once the order has shipped, a tracking number will be provided so the customer can track the shipment.

FAQ:

- Q1: What is the brand name of the CNC Turning Milling Parts?**
A1: The brand name of the CNC Turning Milling Parts is ywy.
- Q2: What is the model number of the CNC Turning Milling Parts?**
A2: The model number of the CNC Turning Milling Parts is cnc202.
- Q3: What is the minimum order quantity for the CNC Turning Milling Parts?**
A3: The minimum order quantity for the CNC Turning Milling Parts is 1.
- Q4: What is the price range of the CNC Turning Milling Parts?**
A4: The price range of the CNC Turning Milling Parts is between 0.68 and 6.68.
- Q5: What is the delivery time for the CNC Turning Milling Parts?**
A5: The delivery time for the CNC Turning Milling Parts is 10-15 days.
