

IGS Format Versatile CNC Machined Parts for Various Manufacturing Processes OEM ODM

Our Product Introduction

For more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

Product Specification

- Lead Time: 7-15 Days
- Drawing Format: PDF, DWG, IGS, STEP, Etc.
- Quality Control: 100% Inspection Before Shipment
- Tolerance: $\pm 0.01\text{mm}$
- MOQ: 1 Piece
- Packaging: Standard Export Carton Or Customized
- Processing Method: CNC Machining, Turning, Milling, Etc.
- Delivery Method: DHL, FedEx, UPS, Etc.
- Highlight: **IGS Format CNC Machined Parts,
OEM CNC Machined Parts,
ODM CNC Machined Parts**

Product Description

Product Description:

Whether you need Computer-aided machining parts for aerospace, automotive, medical, or any other industry, our CNC Machined Parts are the ideal choice. We offer a minimum order quantity of just one piece, making it easy for you to order the exact quantity you need without having to worry about excess inventory.

Our CNC Machined Parts are delivered in standard export cartons, but we also offer customized packaging options to meet your specific needs. We understand the importance of safe and secure delivery, which is why we use reliable shipping methods such as DHL, FedEx, UPS, and other trusted carriers.

In addition to our high-quality materials and reliable shipping options, we also offer a fast lead time of just 7-15 days for our CNC Machined Parts. This means that you can receive your parts quickly and efficiently, allowing you to get back to work and stay ahead of your competition.

At our company, we take pride in providing our customers with the highest quality Computer-Numerically-Controlled parts on the market. We use state-of-the-art technology and equipment to ensure that our CNC Machined Parts meet your exact specifications and exceed your expectations. We are committed to delivering the best products and services to our customers, and we look forward to working with you.

Features:

Product Name: CNC Machined Parts

Packaging: Standard Export Carton Or Customized

Processing Method: CNC Machining, Turning, Milling, Etc.

Material: Aluminum, Steel, Brass, Etc.

OEM/ODM: Acceptable

Surface Treatment: Anodizing, Plating, Painting, Etc.

Our CNC Machined Parts are precision engineered and crafted using computer-controlled machining technology. These parts are ideal for a range of applications and are available in a variety of materials including aluminum, steel, brass, and more. We offer OEM/ODM services and can customize packaging to meet your needs. Our CNC-machined components are finished with high-quality surface treatments such as anodizing, plating, painting, and more.

Technical Parameters:

Product Name:	Computer-controlled machining parts
Processing Method:	CNC Machining, Turning, Milling, Etc.
Size:	Customized
Tolerance:	±0.01mm
Surface Treatment:	Anodizing, Plating, Painting, Etc.
Quality Control:	100% Inspection Before Shipment
MOQ:	1 Piece
Lead Time:	7-15 Days
Delivery Method:	DHL, FedEx, UPS, Etc.
OEM/ODM:	Acceptable
Drawing Format:	PDF, DWG, IGS, STEP, Etc.

Applications:

These CNC machined parts are a perfect choice for various industrial applications that require high precision and accuracy. They can be used in the aerospace, automotive, medical, and electronics industries, among others. These parts are suitable for use in both small and large-scale productions, providing excellent value for money.

Yuanwenyu's CNC machined parts are designed to meet the specific needs of customers. They are available in various sizes to fit different machines and equipment. These parts are made with high-quality materials and undergo rigorous testing to ensure they meet the required standards. Additionally, the parts can be customized to meet specific customer requirements, making them ideal for large-scale manufacturing projects.

The CNC machined parts are surface-treated using anodizing, plating, painting, or other techniques to provide superior resistance to wear and tear, corrosion, and other forms of damage. They have a tolerance of ±0.01mm, ensuring precision and accuracy during use. The parts are delivered in standard export cartons or customized packaging to ensure they arrive in excellent condition at the customer's location.

Yuanwenyu's CNC machined parts are delivered via DHL, FedEx, UPS, and other delivery methods. The delivery time is fast, and customers can choose from various payment terms to suit their needs. Additionally, the company has the capacity to produce up to 1000000 pieces per month, ensuring a steady supply of parts to customers.

Overall, Yuanwenyu's CNC machined parts are an excellent choice for customers looking for high-quality computer-aided manufacturing parts. They are suitable for a wide range of applications and come with certification, ensuring they meet the required standards.

Customers can enjoy fast delivery, various payment options, and excellent customer service when they purchase these parts from

Customization:

Support and Services:

Our CNC Machined Parts are designed to meet the highest standards of quality and precision. We offer technical support and services throughout the entire product lifecycle, including:

Product design consultation
Material selection guidance
Prototype development
Production optimization
Quality control and inspection
Post-production support

Our team of experts has extensive knowledge and experience in CNC machining, and is dedicated to providing exceptional service and support to our customers. Contact us today to learn more.

Packing and Shipping:

Our CNC Machined Parts are carefully packaged to ensure their safe delivery. Each part is individually wrapped in protective foam or bubble wrap and placed in a sturdy cardboard box. The box is then sealed with high-quality packing tape to prevent any damage or tampering during shipping.

We offer a variety of shipping options to meet your needs. Standard shipping takes 3-5 business days, while expedited shipping is available for those who need their parts sooner. We also offer international shipping to customers outside of the United States.

Rest assured that your order will be processed and shipped promptly. You will receive a tracking number as soon as your order is shipped so you can monitor its progress and know exactly when to expect delivery.

FAQ:

Q: What is the brand name of the CNC Machined Parts product?

A: The brand name of the CNC Machined Parts product is yuanwenyu.

Q: What are the available models for the CNC Machined Parts?

A: The available models for the CNC Machined Parts are 1X893 and OEM.

Q: Where is the CNC Machined Parts product made?

A: The CNC Machined Parts product is made in Guangdong, China.

Q: Is the CNC Machined Parts product certified?

A: Yes, the CNC Machined Parts product is certified.

Q: What is the minimum order quantity for the CNC Machined Parts product?

A: The minimum order quantity for the CNC Machined Parts product is 50 pieces.

Q: What is the price range for the CNC Machined Parts product?

A: The price range for the CNC Machined Parts product is \$2.35 - \$12.68/piece.

Q: What are the packaging details for the CNC Machined Parts product?

A: The packaging details for the CNC Machined Parts product include EPE foam, Anti-Rust Paper, Stretch Film, Plastic bag +Carton.

Q: What is the delivery time for the CNC Machined Parts product?

A: The delivery time for the CNC Machined Parts product is 1.

Q: What are the payment terms for the CNC Machined Parts product?

A: The payment terms for the CNC Machined Parts product is 1.

Q: What is the supply ability for the CNC Machined Parts product?

A: The supply ability for the CNC Machined Parts product is 1000000 Piece/Pieces per Month.
