

High-Performance CNC Machined Parts 100% Inspection for Industrial Applications

Our Product Introduction

For more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

Product Specification

- Surface Treatment: Anodizing, Plating, Painting, Etc.
- OEM/ODM: Acceptable
- Material: Aluminum, Steel, Brass, Etc.
- Processing Method: CNC Machining, Turning, Milling, Etc.
- Drawing Format: PDF, DWG, IGS, STEP, Etc.
- Packaging: Standard Export Carton Or Customized
- Quality Control: 100% Inspection Before Shipment
- Delivery Method: DHL, FedEx, UPS, Etc.
- Highlight: **Industrial Applications CNC Machined Parts, 100% Inspection CNC Machined Parts, High Performance CNC Machined Parts**

Product Description

Product Description:

Our CNC Machined Parts are available in a variety of sizes, so you can find the perfect fit for your application. We use state-of-the-art equipment and technology to produce high-quality parts that meet your exact specifications.

We offer a wide range of surface treatment options for our CNC Machined Parts, including anodizing, plating, painting, and more. Our surface treatments are designed to enhance the durability and appearance of your parts, ensuring that they look great and perform well for years to come.

Our CNC Machined Parts are packaged in standard export cartons, ensuring that they arrive at your location in perfect condition. We can also customize the packaging to meet your unique needs, ensuring that your parts are protected during shipping and storage.

Our lead time for CNC Machined Parts is 7-15 days, depending on the size and complexity of your order. We work closely with our customers to ensure that we meet their deadlines and deliver high-quality parts on time.

Whether you need CNC Machined Parts for prototyping, production, or any other application, we have the expertise and experience to deliver the high-quality parts you need. Contact us today to learn more about our CNC Machined Parts and how we can help you with your project.

Features:

Product Name: CNC Machined Parts

Processing Method: CNC Machining, Turning, Milling, Etc.

Packaging: Standard Export Carton Or Customized

MOQ: 1 Piece

Tolerance: $\pm 0.01\text{mm}$

Material: Aluminum, Steel, Brass, Etc.

Our CNC Machined Parts are computer-controlled machining parts, also known as Computer-Numerically-Controlled parts or CNC-manufactured components.

Technical Parameters:

Product Attribute	Description
Product Name	Computer-Numerically-Controlled parts / Computer-aided manufacturing parts / CNC-manufactured components
OEM/ODM	Acceptable
Surface Treatment	Anodizing, Plating, Painting, Etc.
Material	Aluminum, Steel, Brass, Etc.
Processing Method	CNC Machining, Turning, Milling, Etc.
Tolerance	$\pm 0.01\text{mm}$
Quality Control	100% Inspection Before Shipment
Size	Customized
Lead Time	7-15 Days
MOQ	1 Piece
Delivery Method	DHL, FedEx, UPS, Etc.

Applications:

The CNC Machined Parts are customizable and can be made to size according to the client's requirement. They are packed using high-quality EPE foam, Anti-Rust Paper, Stretch Film, Plastic bag, and Carton. The delivery time for these parts is quick, and the payment terms are flexible.

These Computer-controlled machining parts find their application in various industries, including the automotive, aerospace, medical, and electronics industries. They are used for making high-precision components, such as gears, shafts, bushings, brackets, and many others. The CNC Machined Parts have a tolerance of $\pm 0.01\text{mm}$, which ensures their high precision and accuracy. They undergo 100% inspection before shipment to ensure their quality meets the required standards. The lead time for these parts is 7-15 days, and they have a supply ability of 1000000 Piece/Pieces per Month.

In conclusion, yuanwenyu CNC Machined Parts are a reliable and cost-effective solution for industries requiring high-precision components. Their customizable size, high tolerance, and quality control make them an excellent choice for various applications and scenarios.

Customization:

Support and Services:

Packing and Shipping:

Product Packaging:

All CNC machined parts are carefully inspected and cleaned before packaging.

The parts are then securely placed in a foam-lined box to prevent any damage during shipping.

Each box is labeled with the product name, quantity, and any special instructions.

Shipping:

We ship our CNC machined parts using trusted carriers such as UPS and FedEx.

Shipping costs are calculated based on the weight and destination of the package.

We offer both standard and expedited shipping options.

Tracking information will be provided once the package has been shipped.

FAQ:

Q1: What is the brand name of the CNC Machined Parts?

A1: The brand name of the CNC Machined Parts is yuanwenyu.

Q2: What is the minimum order quantity for these parts?

A2: The minimum order quantity for these parts is 50 pieces.

Q3: Where are these parts manufactured?

A3: These parts are manufactured in Guangdong, China.

Q4: What is the price range for these CNC Machined Parts?

A4: The price range for these CNC Machined Parts is between \$2.35 and \$12.68 per piece.

Q5: What is the delivery time for these parts?

A5: The delivery time for these parts is 1 week.
