Custom CNC Machining Services For Automotive Aerospace Medical

Our Product Introduction

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: $2.35 - $12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

Product Specification

- Size: Customized
- Drawing Format: PDF, DWG, IGS, STEP, Etc.
- OEM/ODM: Acceptable
- MOQ: 1 Piece
- Packaging: Standard Export Carton Or Customized
- Delivery Method: DHL, FedEx, UPS, Etc.
- Tolerance: ±0.01mm
- Processing Method: CNC Machining, Turning, Milling, Etc.
- Highlight: **Custom CNC Machining Services**, **CNC Machining Services For Automotive**, **CNC Machining Services For Aerospace**

Product Description

Product Description:

Our computerized machining parts are created using the latest CNC machining, turning, milling, and other techniques. This ensures that each part is made with precision and accuracy, resulting in a product that is both reliable and durable.
Whether you need parts for the automotive, aerospace, medical or other industries, we have the expertise and experience to create the perfect components for your specific application. Our team of skilled technicians will work closely with you to understand your needs and create parts that meet your exact requirements.
We accept drawing formats in PDF, DWG, IGS, STEP, and other types, making it easy for you to provide us with the necessary specifications for your components. Our attention to detail and commitment to quality means that you can trust us to create parts that meet or exceed your expectations.
When it comes to packaging, we offer both standard export cartons and customized options to ensure that your components are protected during shipping. Our goal is to provide you with a hassle-free experience from start to finish, and we are committed to delivering high-quality products that meet your needs.
So if you're in need of computerized machining parts, look no further than our CNC-machined components. With our expertise and commitment to quality, you can trust us to deliver the reliable, durable components you need for your specific application.

Features:

Product Name: CNC Machined Parts
Quality Control: 100% Inspection Before Shipment
Application: Automotive, Aerospace, Medical, Etc.
Material: Aluminum, Steel, Brass, Etc.
Lead Time: 7-15 Days
Surface Treatment: Anodizing, Plating, Painting, Etc.
Computer-controlled machining parts
Numerically-controlled machining parts
Computer-aided manufacturing parts

Technical Parameters:

Technical Parameter	Description
Application	Automotive, Aerospace, Medical, Etc.
Material	Aluminum, Steel, Brass, Etc.
Surface Treatment	Anodizing, Plating, Painting, Etc.
Tolerance	±0.01mm
Delivery Method	DHL, FedEx, UPS, Etc.
Drawing Format	PDF, DWG, IGS, STEP, Etc.
Packaging	Standard Export Carton Or Customized
Quality Control	100% Inspection Before Shipment
MOQ	1 Piece
Lead Time	7-15 Days

Computer-aided manufacturing parts, Computerized Numerical Cutting parts, Computerized Numerical Cutting parts

Applications:

Our CNC machined parts are perfect for a range of industries including automotive, aerospace, medical, and more. These computerized machining parts are designed to meet the strictest quality standards and are 100% inspected before shipment to ensure customer satisfaction.
Whether you need OEM or custom CNC machined parts, Yuanwenyu can provide you with the perfect solution. Our minimum order quantity is just 50 pieces, and we offer competitive pricing ranging from $2.35 to $12.68 per piece.
When you order from Yuanwenyu, you can expect fast delivery times and flexible payment terms. Our packaging is designed to protect your parts during shipping and includes EPE foam, anti-rust paper, stretch film, and plastic bags.
With a supply ability of 1000000 pieces per month, Yuanwenyu is your reliable source for CNC machined parts. Contact us today to learn more about our certification and quality control processes, and to place your order for high-quality CNC machined parts.

Customization:

yuanwenyu brand offers high-quality CNC-machined components that can be customized according to your specific needs. Our **1X893** model and OEM options are manufactured in Guangdong, China using precise computer-aided

machining parts. Our products are certified and have a minimum order quantity of **50 pieces** . The price range for our products is **$2.35 - $12.68/piece** and they are packaged using EPE foam, anti-rust paper, stretch film, plastic bags, and cartons. The delivery time is **1 day** and multiple payment options are available. We have a supply ability of **1000000 pieces/month** and can work with multiple drawing formats including PDF, DWG, IGS, STEP, etc. The size of our products can be customized and the lead time is **7-15 days** . Our products are available for OEM/ODM customization and have a minimum order quantity of **1 piece** .

Support and Services:

Our CNC Machined Parts product comes with comprehensive technical support and services to ensure that our customers are fully satisfied with their purchase.
Our technical support team is available to answer any questions or concerns you may have about the product, and can provide assistance with installation, operation, and maintenance.
In addition, we offer a range of services to ensure that your CNC Machined Parts are performing at their best, including periodic maintenance and repair, as well as upgrades and modifications to your existing parts.
With our technical support and services, you can trust that your CNC Machined Parts will continue to perform at the highest level, ensuring that your business stays competitive and efficient.

Packing and Shipping:

Product Packaging:
The CNC machined parts will be carefully packaged in a sturdy box to ensure safe delivery. Each part will be individually wrapped in bubble wrap or foam to prevent any damage during shipping.
Shipping:
We offer fast and reliable shipping options for our CNC machined parts. We use trusted shipping carriers to deliver your order right to your doorstep. Shipping options and rates will be displayed at checkout based on your location and the size of your order.

FAQ:

Q1: What is the brand name of the CNC machined parts?
A1: The brand name is yuanwenyu.
Q2: What is the minimum order quantity for the CNC machined parts?
A2: The minimum order quantity is 50 pieces.
Q3: What is the price range for the CNC machined parts?
A3: The price range is between $2.35 to $12.68 per piece, depending on the model number and quantity ordered.
Q4: What is the packaging details for the CNC machined parts?
A4: The packaging details include EPE foam, anti-rust paper, stretch film, plastic bag, and carton.
Q5: What is the delivery time and supply ability for the CNC machined parts?
A5: The delivery time and supply ability depend on the model number and quantity ordered. Please contact us for more information.
