

Acceptable OEM/ODM Precision CNC Machined Parts with Surface Treatment Options for Steel Products

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

Product Specification

- Size: Customized
- Surface Treatment: Anodizing, Plating, Painting, Etc.
- OEM/ODM: Acceptable
- Processing Method: CNC Machining, Turning, Milling, Etc.
- Application: Automotive, Aerospace, Medical, Etc.
- MOQ: 10Piece
- Material: Aluminum, Steel, Brass, Etc.
- Packaging: Standard Export Carton Or Customized
- Highlight: **OEM/ODM CNC Machined Parts,
Steel Products CNC Machined Parts,
Surface Treatment CNC Machined Parts**

Product Description

Product Description:

Our CNC machined parts are made from top-quality materials, including aluminum, steel, brass, and more. We offer a range of sizes to choose from, and we can even create custom sizes to meet your unique needs. When it comes to drawing formats, we can work with a variety of files, including PDF, DWG, IGS, STEP, and more. This makes it easy to get the exact CNC machined parts you need, no matter what type of files you have available. Our CNC machined parts are available in standard export cartons, or we can work with you to create a customized packaging solution that meets your specific needs. And with a minimum order quantity of just 10 pieces, it's easy to get the parts you need without breaking the bank. So if you're looking for high-quality CNC machined parts, look no further than our selection. With precision, accuracy, and quality materials, we're the go-to choice for businesses and individuals who demand the best.

Features:

Product Name: CNC Machined Parts
OEM/ODM: Acceptable
Quality Control: 100% Inspection Before Shipment
Material: Aluminum, Steel, Brass, Etc.
Application: Automotive, Aerospace, Medical, Etc.
Surface Treatment: Anodizing, Plating, Painting, Etc.
Computer-Numerically-Controlled parts
Computer-aided machining parts
Computer-aided manufacturing parts

Technical Parameters:

Technical Parameters	Details
Drawing Format	PDF, DWG, IGS, STEP, Etc.
Application	Automotive, Aerospace, Medical, Etc.
Lead Time	7-15 Days
OEM/ODM	Acceptable
MOQ	10 Piece
Size	Customized
Delivery Method	DHL, FedEx, UPS, Etc.
Material	Aluminum, Steel, Brass, Etc.
Surface Treatment	Anodizing, Plating, Painting, Etc.
Quality Control	100% Inspection Before Shipment

Precision machined parts, Computer-aided machining parts, Computer-aided manufacturing parts

Applications:

The 1X893 and OEM models of CNC-machined parts are manufactured in Guangdong, China and are known for their exceptional quality and precision. These parts are certified and have a minimum order quantity of 50 pieces, with prices ranging from \$2.35 to \$12.68 per piece, depending on the material and complexity of the part. The CNC-machined parts are made from a variety of materials such as aluminum, steel, brass, and more. They are processed using various methods such as CNC machining, turning, milling, and more. The parts have a tolerance of $\pm 0.01\text{mm}$, ensuring that they meet the highest standards of quality and precision. The CNC-machined parts are ideal for a wide range of applications in various industries. For instance, in the automotive industry, these parts can be used in the manufacturing of engines, transmissions, and other critical components. In the aerospace industry, these parts can be used in the manufacturing of aircraft engines, landing gears, and more. In the medical industry, these parts can be used in the manufacturing of surgical instruments, implants, and other medical devices. The packaging of the CNC-machined parts is designed to ensure that the parts are protected during transportation. The parts are packaged using standard export cartons or customized packaging, depending on the customer's requirements. The packaging includes EPE foam, anti-rust paper, stretch film, and plastic bags. The delivery time for the CNC-machined parts is 1, and the payment terms are also flexible, depending on the customer's requirements. Yuanwenyu has the capability to supply up to 1000000 Piece/Pieces per Month, ensuring that customers can receive their orders on time and within budget. Overall, the CNC-machined parts from Yuanwenyu are a reliable and high-quality solution for various industries. With their precision and durability, these Computer-Numerically-Controlled parts are sure to meet the unique needs and requirements of any application.

Customization:

Our product, yuanwenyu CNC Machined Parts, offers top-of-the-line customization services for computer-aided machining parts. Our model number includes 1X893, and we also offer OEM services. Our products are manufactured in Guangdong, China and are certified for quality assurance.

Our minimum order quantity is 50 pieces, and our pricing ranges from \$2.35 to \$12.68 per piece. Our packaging details include EPE foam, anti-rust paper, stretch film, and plastic bags with cartons for shipping. We guarantee a delivery time of 1 day and accept various payment terms.

Our supply ability is 1000000 Piece/Pieces per Month. We use CNC machining, turning, milling, and other computer-controlled machining parts to create precision machined parts with a tolerance of $\pm 0.01\text{mm}$. We have a strict quality control process, ensuring 100% inspection before shipment. We also accept OEM/ODM requests.

We offer fast delivery through DHL, FedEx, UPS, and other methods. Trust yuanwenyu CNC Machined Parts for all your precision machining needs.

Support and Services:

In addition to technical support, we also provide a range of services to ensure that your CNC Machined Parts are always operating at peak performance. These services include regular maintenance and inspection, repairs, and upgrades. Our team of experienced technicians works quickly and efficiently to minimize downtime and keep your production lines running smoothly.

Packing and Shipping:

Product Packaging:

All CNC machined parts will be securely packed in individual plastic bags.

These will then be placed in a sturdy cardboard box with cushioning material to prevent damage during shipping.

The box will be labeled with the product name, quantity, and any other relevant information.

Shipping:

We offer worldwide shipping for our CNC machined parts.

Shipping options include standard and expedited shipping.

Shipping costs will vary based on destination and shipping method selected.

Orders will be processed and shipped within 1-2 business days after payment has been received.

Customers will receive a tracking number once their order has been shipped.

Please allow for additional shipping time for international orders.

FAQ:

Q1: What is the brand name of the CNC Machined Parts?

A1: The brand name is yuanwenyu.

Q2: What are the available models for the CNC Machined Parts?

A2: The available models are 1X893 and OEM.

Q3: Where is the CNC Machined Parts manufactured?

A3: The CNC Machined Parts are manufactured in Guangdong, China.

Q4: Does the CNC Machined Parts come with any certification?

A4: Yes, the CNC Machined Parts come with certification 1.

Q5: What is the minimum order quantity for the CNC Machined Parts?

A5: The minimum order quantity for the CNC Machined Parts is 50 pieces.

Q6: What is the price range for the CNC Machined Parts?

A6: The price range for the CNC Machined Parts is \$2.35 - \$12.68/pieces.

Q7: How is the CNC Machined Parts packaged?

A7: The CNC Machined Parts are packaged with EPE foam, Anti-Rust Paper, Stretch Film, Plastic bag +Carton.

Q8: What is the delivery time for the CNC Machined Parts?

A8: The delivery time for the CNC Machined Parts is 1.

Q9: What are the payment terms for the CNC Machined Parts?

A9: The payment terms for the CNC Machined Parts is 1.

Q10: What is the supply ability for the CNC Machined Parts?

A10: The supply ability for the CNC Machined Parts is 1000000 Piece/Pieces per Month.
