Custom OEM ODM Steel CNC Machined Parts for Precision Engineering

Our Product Introduction

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: $2.35 - $12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

Product Specification

- Delivery Method: DHL, FedEx, UPS, Etc.
- Processing Method: CNC Machining, Turning, Milling, Etc.
- OEM/ODM: Acceptable
- Tolerance: ±0.01mm
- Size: Customized
- Material: Aluminum, Steel, Brass, Etc.
- MOQ: 10Piece
- Surface Treatment: Anodizing, Plating, Painting, Etc.
- Highlight: **ODM CNC Machined Parts**, **Precision Engineering CNC Machined Parts**, **OEM CNC Machined Parts**

Product Description

Product Description:

Looking for top-quality Computerized Numerical Control Machined Parts for your projects? Look no further than our CNC Machined Parts! Our precision-engineered components are perfect for a wide range of applications, including automotive, aerospace, medical, and more. Our CNC Machined Parts are manufactured using advanced Computer Numerical Control Processed Parts technology, ensuring high accuracy and consistency in every piece. With our state-of-the-art CNC machining, turning, and milling capabilities, we can produce complex and intricate parts to meet your exact specifications.

Packaged in sturdy Standard Export Cartons, our CNC Machined Parts are well-protected during transit to ensure they reach you in perfect condition. Need a customized packaging solution? No problem! We can tailor the packaging to meet your specific requirements. When it comes to delivery, we offer flexible options to suit your needs. Whether you prefer fast shipping via DHL, reliable service through FedEx, or convenient delivery with UPS, we've got you covered. Your CNC Machined Parts will be on their way to you in no time!

Thinking about ordering? Our minimum order quantity (MOQ) is just 10 pieces, making it easy for you to get the exact quantity you need without any excess. Whether you're working on a small-scale project or a large production run, we can accommodate your requirements. Don't settle for subpar machining pieces – choose our Computer Numerically Controlled Machining Pieces for superior quality and performance. Get in touch with us today to discuss your CNC Machined Parts needs and place your order!

Features:

Product Name: CNC Machined Parts
Drawing Format: PDF, DWG, IGS, STEP, Etc.
Lead Time: 7-15 Days
Tolerance: ±0.01mm
Surface Treatment: Anodizing, Plating, Painting, Etc.
Quality Control: 100% Inspection Before Shipment

Technical Parameters:

Technical Parameter	Details
Delivery Method	DHL, FedEx, UPS, Etc.
Surface Treatment	Anodizing, Plating, Painting, Etc.
Processing Method	CNC Machining, Turning, Milling, Etc.
Material	Aluminum, Steel, Brass, Etc.
Quality Control	100% Inspection Before Shipment
Lead Time	7-15 Days
Drawing Format	PDF, DWG, IGS, STEP, Etc.
Size	Customized
Tolerance	±0.01mm
OEM/ODM	Acceptable

Applications:

With Certification 1 and a minimum order quantity of 50 pieces, these parts are accessible for both small-scale and large-scale projects. The price range of $2.35 to $12.68 per piece makes them cost-effective for diverse budgets. The packaging details include EPE foam, Anti-Rust Paper, Stretch Film, and Plastic bag + Carton, ensuring secure delivery.

Delivery time is prompt, with various payment terms available to facilitate easy transactions. The supply ability of 1000000 Piece/Pieces per Month ensures a steady availability of these top-notch components. The materials used, such as Aluminum, Steel, Brass, and more, guarantee durability and reliability.

These Computerized Numerical Control Machined Parts find applications in Automotive, Aerospace, Medical, and other industries due to their ±0.01mm tolerance levels. Whether for precision components in cars, critical parts in aircraft, or medical devices, these CNC machined parts excel in various environments.

Delivery methods such as DHL, FedEx, UPS, and more ensure timely arrival of the parts to the desired location. The MOQ of 10 pieces offers flexibility for different project scales, making yuanwenyu's CNC machined parts a go-to choice for demanding applications.

Customization:

Product Customization Services for CNC Machined Parts:
Brand Name: yuanwenyu
Model Number: 1X893, OEM
Place of Origin: Guangdong, China
Certification: 1
Minimum Order Quantity: 50 pieces
Price: $2.35 - $12.68/piece
Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag + Carton
Delivery Time: 1
Payment Terms: 1
Supply Ability: 1000000 Piece/Pieces per Month
Application: Automotive, Aerospace, Medical, Etc.
Size: Customized
OEM/ODM: Acceptable
Lead Time: 7-15 Days
Surface Treatment: Anodizing, Plating, Painting, Etc.
Keywords: Computerized Numerical Control Machined Components, Computer Numerically Controlled Machinery Parts, Computer Numerical Control Processed Parts

Support and Services:

Our Product Technical Support team for CNC Machined Parts is dedicated to providing expert assistance with any inquiries or issues you may have regarding our products. Whether you need guidance on installation, troubleshooting, or maintenance, our team is here to help. In addition to technical support, we also offer a range of services to ensure that your CNC Machined Parts perform optimally. These services may include customization, precision machining, quality assurance, and timely delivery to meet your specific requirements.

Packing and Shipping:

Product Packaging and Shipping:
Our CNC machined parts are carefully packaged to ensure they arrive safely to our customers. Each part is wrapped in protective material to prevent scratches and damages during transit. For smaller parts, they are placed in sturdy boxes with ample cushioning. Larger parts are secured on pallets and shrink-wrapped for added protection.
When it comes to shipping, we work with trusted carriers to deliver your orders promptly. You can choose from various shipping options based on your preferences, including standard ground shipping or expedited services for urgent orders. Rest assured that your CNC machined parts will be handled with care throughout the shipping process.

FAQ:

Q: What is the brand name of the CNC Machined Parts?
A: The brand name is yuanwenyu.
Q: What are the available models for the CNC Machined Parts?
A: The available models are 1X893 and OEM.
Q: Where is the place of origin for the CNC Machined Parts?
A: The place of origin is Guangdong, China.
Q: What is the minimum order quantity for the CNC Machined Parts?
A: The minimum order quantity is 50 pieces.
Q: What are the packaging details for the CNC Machined Parts?
A: The packaging details include EPE foam, Anti-Rust Paper, Stretch Film, Plastic bag, and Carton.
