

High Precision CNC Turning Milling Parts in Customized Size with and $\pm 0.01\text{mm}$ Tolerance

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: cnc202
- Minimum Order Quantity: 1
- Price: 0.68-6.68
- Packaging Details: Bubble paper box packaging
- Delivery Time: 10-15
- Supply Ability: long-term

Product Specification

- Tolerance: $\pm 0.01\text{mm}$
- Processing Method: CNC Turning Milling
- Advantage: High Precision, Fast Delivery, Etc.
- OEM/ODM: Accept
- Application: Automotive, Aerospace, Etc.
- Surface Treatment: Polishing, Anodizing, Zinc Plating, Etc.
- Package: Carton, Wooden Case, Etc.
- Lead Time: 7-15 Days

Product Description:

The CNC Turning Milling Parts offered by our company are precision-engineered components designed for a wide range of applications in various industries. With a focus on high precision and fast delivery, these Custom CNC Turning Parts are manufactured using advanced CNC machining technology to meet the exact specifications of our customers.

One of the main advantages of our CNC Turning And Milling Parts is their high precision, ensuring tight tolerances and consistent quality in every piece produced. This level of precision makes them ideal for use in industries such as automotive, aerospace, electronics, and more where accuracy is critical to performance.

These CNC Turning Milling Parts are available in a variety of materials to suit different requirements. From durable stainless steel for strength and corrosion resistance to lightweight aluminum for versatility and conductivity, we offer options such as brass, titanium, copper, and more to meet the needs of diverse applications.

When it comes to packaging, we understand the importance of ensuring the safe transit of our products. Our CNC Machining Turning Parts can be packaged according to customer preferences, with options including cartons, wooden cases, pallets, or any other method that ensures secure delivery to your location.

As these Custom CNC Turning Parts are designed for a wide range of applications, we offer flexibility in product size to accommodate varying project requirements. Whether you need small, intricate components or large, complex parts, we can tailor the size and dimensions of the CNC Turning And Milling Parts to fit your specific needs.

Our CNC Turning Milling Parts are crafted with precision and expertise to deliver superior performance and reliability in demanding environments. With a focus on quality, accuracy, and timely delivery, we strive to exceed customer expectations with every order. Trust us for your CNC machining needs and experience the difference in product quality and service.

Features:

Product Name: CNC Turning Milling Parts
Shipping: Express, Air, Sea
MOQ: 1 Piece
Drawing Format: PDF, IGS, STP, DWG, Etc.
Processing Method: CNC Turning Milling
Material: Stainless Steel, Aluminum, Brass, Etc.

Technical Parameters:

Technical Parameter	Details
Package	Carton, Wooden Case, Etc.
Lead Time	7-15 Days
Drawing Format	PDF, IGS, STP, DWG, Etc.
Shipping	Express, Air, Sea
MOQ	1 Piece
Application	Automotive, Aerospace, Etc.
Material	Stainless Steel, Aluminum, Brass, Etc.
Processing Method	CNC Turning Milling
Tolerance	±0.01mm
Product Size	Customized

Applications:

Custom CNC Turning Parts by ywy are a versatile product suitable for a wide range of application occasions and scenarios. The CNC202 parts, manufactured in guangdonghuizhou, can be used in various industries such as Automotive, Aerospace, and more. Their ability to withstand high-stress environments makes them ideal for critical applications where precision and durability are crucial.

These CNC Machining Turning Parts are crafted from high-quality materials including Stainless Steel, Aluminum, Brass, and more. This ensures that they can meet the diverse needs of different sectors. The CNC Turning Milling process used in the production of these parts guarantees accuracy and consistency in every piece.

With a minimum order quantity of 1, ywy offers flexibility to customers, making it easy to procure these parts for prototyping or large-scale production. The price range of 0.68-6.68 per piece makes them cost-effective without compromising on quality.

When it comes to packaging, the parts are carefully protected with Bubble paper box packaging, ensuring they arrive in perfect condition. The lead time of 7-15 days and delivery time of 10-15 days make it convenient for customers to receive their orders promptly.

Furthermore, ywy provides long-term supply ability, giving customers the assurance that they can rely on a consistent source of these essential components. The parts also undergo various surface treatments such as Polishing, Anodizing, Zinc Plating, and more, enhancing their aesthetics and functionality.

Customization:

Product Customization Services for Custom CNC Turning Milling Parts:
Brand Name: ywy
Model Number: cnc202
Place of Origin: guangdonghuizhou
Minimum Order Quantity: 1
Price: 0.68-6.68
Packaging Details: Bubble paper box packaging
Delivery Time: 10-15
Supply Ability: long-term
Drawing Format: PDF, IGS, STP, DWG, Etc.
OEM/ODM: Accept
Package: Carton, Wooden Case, Etc.
Advantage: High Precision, Fast Delivery, Etc.
Processing Method: CNC Turning Milling

Support and Services:

Our Product Technical Support and Services for CNC Turning Milling Parts include: -----
- Installation guidance and setup assistance for optimal performance
- Troubleshooting support for any issues related to the product
- Regular maintenance recommendations to ensure longevity and efficiency
- Upgrades and customization options to meet specific requirements
- Training programs for operators to maximize productivity

Packing and Shipping:

Product Packaging: -----
Our CNC turning milling parts are carefully packaged to ensure their protection during transit. Each part is wrapped in bubble wrap or foam padding to prevent any damage from occurring. They are then placed in sturdy cardboard boxes with appropriate labeling for easy identification.
Shipping:
We offer a variety of shipping options to suit your needs. Our standard shipping method is through reputable courier services to ensure timely delivery. We also provide expedited shipping for urgent orders. Once your order is dispatched, you will receive a tracking number to monitor the status of your shipment.

FAQ:

Q: What is the brand name of the CNC Turning Milling Parts? -----
A: The brand name is ywy.
Q: What is the model number of the CNC Turning Milling Parts?
A: The model number is cnc202.
Q: Where is the place of origin for these parts?
A: The place of origin is guangdonghuizhou.
Q: What is the minimum order quantity for the CNC Turning Milling Parts?
A: The minimum order quantity is 1.
Q: What are the packaging details for these parts?
A: The packaging details include bubble paper box packaging.
Q: What is the price range for the CNC Turning Milling Parts?
A: The price ranges from 0.68 to 6.68.
Q: What is the delivery time for these parts?
A: The delivery time is 10-15 days.
Q: What is the supply ability for the CNC Turning Milling Parts?
A: The supply ability is long-term.
