

## Automotive Industry Solutions CNC Turning Milling Parts with Express Shipping and OEM/ODM Acceptance

### Our Product Introduction

for more products please visit us on [precision-cncparts.com](http://precision-cncparts.com)

#### Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: cnc202
- Minimum Order Quantity: 1
- Price: 0.68-6.68
- Packaging Details: Bubble paper box packaging
- Delivery Time: 10-15
- Supply Ability: long-term

#### Product Specification

- Material: Stainless Steel, Aluminum, Brass, Etc.
- Lead Time: 7-15 Days
- OEM/ODM: Accept
- MOQ: 1 Piece
- Package: Carton, Wooden Case, Etc.
- Product Size: Customized
- Surface Treatment: Polishing, Anodizing, Zinc Plating, Etc.
- Drawing Format: PDF, IGS, STP, DWG, Etc.

## Product Description

### Product Description:

Looking for high-quality Custom CNC Machining Parts that meet your exact specifications? Our CNC Turning Milling Parts are the perfect solution for your precision machining needs. With a range of surface treatments available, including Polishing, Anodizing, Zinc Plating, and more, we can provide the finish you desire.

One of the key advantages of our CNC Turning And Milling Parts is their customizability. We understand that every project is unique, which is why we offer Product Size customization to ensure that the final product fits your requirements perfectly. Whether you need small, intricate parts or larger components, we have the capabilities to deliver.

When it comes to precision, our CNC Metal Machining Parts are unmatched. Our state-of-the-art equipment and experienced team allow us to achieve High Precision results consistently. You can rely on the accuracy and quality of our parts to meet your needs, no matter how demanding the specifications.

At our facility, we prioritize Fast Delivery to ensure that your project stays on schedule. We understand the importance of timely production, which is why we work efficiently to meet your deadlines. You can trust us to deliver your CNC Turning Milling Parts promptly without compromising on quality.

Do you have specific Drawing Formats in mind? No problem. We accept a variety of formats, including PDF, IGS, STP, DWG, and more. Simply provide us with your preferred format, and we will work with your designs to create the perfect CNC machining parts for your project.

When it comes to packaging, we offer flexibility to suit your needs. Whether you prefer Carton packaging for smaller orders or Wooden Case packaging for larger shipments, we can accommodate your requirements. Our goal is to ensure that your CNC Turning And Milling Parts are protected during transportation and arrive in excellent condition.

### Features:

Product Name: CNC Turning Milling Parts

Processing Method: CNC Turning Milling

Drawing Format: PDF, IGS, STP, DWG, Etc.

Application: Automotive, Aerospace, Etc.

Material: Stainless Steel, Aluminum, Brass, Etc.

OEM/ODM: Accept

### Technical Parameters:

Material	Stainless Steel, Aluminum, Brass, Etc.
Tolerance	±0.01mm
OEM/ODM	Accept
MOQ	1 Piece
Application	Automotive, Aerospace, Etc.
Drawing Format	PDF, IGS, STP, DWG, Etc.
Lead Time	7-15 Days
Processing Method	CNC Turning Milling
Shipping	Express, Air, Sea
Surface Treatment	Polishing, Anodizing, Zinc Plating, Etc.

### Applications:

When it comes to the versatile world of Custom CNC Machining Parts, the ywy cnc202 product from guangdonghuizhou is a standout choice for various industries and applications. With a minimum order quantity of 1 piece and a price range of 0.68-6.68, these CNC Turning Milling Parts are designed to meet the needs of both small-scale and large-scale projects.

The ywy cnc202 parts are suitable for a wide range of scenarios, including but not limited to Automotive and Aerospace industries.

Whether you require Custom CNC Turning Parts for precision components in automotive manufacturing or CNC Machining Turning Parts for aerospace engineering, these parts offer high-quality performance and reliability.

Thanks to their CNC Turning Milling processing method, these parts are crafted with precision and accuracy, ensuring a perfect fit for your specific requirements. The product supports various drawing formats such as PDF, IGS, STP, DWG, making it convenient for seamless integration into your existing designs.

With bubble paper box packaging and a delivery time of 10-15 days, the ywy cnc202 parts are not only efficient but also reliable in terms of protecting your investment during transit. Additionally, the long-term supply ability of these parts ensures that you can rely on a consistent source for your machining needs.

Furthermore, the ywy cnc202 product accepts OEM/ODM orders, giving you the flexibility to customize the parts according to your unique specifications. Whether you need a single piece or a bulk order, these CNC Turning Milling Parts are ready to meet your demands with precision and quality.

### Customization:

Product Customization Services for CNC Turning Milling Parts:

- Brand Name: ywy
- Model Number: cnc202
- Place of Origin: guangdonghuizhou
- Minimum Order Quantity: 1
- Price: 0.68-6.68
- Packaging Details: Bubble paper box packaging
- Delivery Time: 10-15
- Supply Ability: long-term
- Lead Time: 7-15 Days
- Package: Carton, Wooden Case, Etc.
- Tolerance:  $\pm 0.01\text{mm}$
- Advantage: High Precision, Fast Delivery, Etc.
- Processing Method: CNC Turning Milling

### Support and Services:

Our CNC Turning Milling Parts product comes with comprehensive technical support and services to ensure optimal performance and customer satisfaction. Our team of experts is available to assist with product installation, troubleshooting, and maintenance to address any issues that may arise. Additionally, we offer training programs to help customers maximize the capabilities of our CNC Turning Milling Parts product and achieve their machining goals efficiently and effectively.

### Packing and Shipping:

Product Packaging:

Our CNC Turning Milling Parts are carefully packaged to ensure their safety during transit. Each part is individually wrapped in protective material to prevent scratches and damage. The parts are then placed in sturdy cardboard boxes with ample cushioning to absorb any impact during shipping.

Shipping Information:

Orders for our CNC Turning Milling Parts are typically shipped within 1-2 business days of purchase. We offer several shipping options to accommodate your needs, including standard ground shipping, expedited shipping, and international shipping. Once your order is shipped, you will receive a tracking number to monitor the delivery status of your package.

### FAQ:

Q: What is the Brand Name of the CNC Turning Milling Parts?

A: The Brand Name is ywy.

Q: What is the Model Number of the CNC Turning Milling Parts?

A: The Model Number is cnc202.

Q: Where is the Place of Origin for the CNC Turning Milling Parts?

A: The Place of Origin is guangdonghuizhou.

Q: What is the Minimum Order Quantity for the CNC Turning Milling Parts?

A: The Minimum Order Quantity is 1.

Q: What are the Packaging Details for the CNC Turning Milling Parts?

A: The Packaging Details include Bubble paper box packaging.

Q: What is the Delivery Time for the CNC Turning Milling Parts?

A: The Delivery Time is 10-15 days.

Q: What is the Price range for the CNC Turning Milling Parts?

A: The Price range is between \$0.68 and \$6.68 per unit.

Q: What is the Supply Ability for the CNC Turning Milling Parts?

A: The Supply Ability is long-term.
