

Aerospace CNC Turning Milling Parts in DWG Format for Customized Product Size

Our Product Introduction

For more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: cnc202
- Minimum Order Quantity: 1
- Price: 0.68-6.68
- Packaging Details: Bubble paper box packaging
- Delivery Time: 10-15
- Supply Ability: long-term

Product Specification

- Application: Automotive, Aerospace, Etc.
- Material: Stainless Steel, Aluminum, Brass, Etc.
- Processing Method: CNC Turning Milling
- Product Size: Customized
- Package: Carton, Wooden Case, Etc.
- MOQ: 1 Piece
- Shipping: Express, Air, Sea
- Drawing Format: PDF, IGS, STP, DWG, Etc.

Product Description:

CNC Turning and Milling Parts are precision components made from high-quality materials such as Stainless Steel, Aluminum, Brass, and more. These parts are tailored to the specific requirements of each project, with the product size being fully customized to ensure a perfect fit and functionality.

When it comes to CNC Turning and Milling Parts, precision is key. The parts are manufactured with a tolerance of ± 0.01 mm, guaranteeing the accuracy and consistency needed for optimal performance. Whether it's a complex design or a simple component, these machining parts are crafted with utmost precision to meet the highest standards.

Our CNC Turning and Milling Parts are suitable for a wide range of applications across various industries. From automotive to aerospace, electronics to medical devices, these parts play a crucial role in ensuring the seamless operation of different machinery and equipment. With a MOQ of just 1 piece, customers have the flexibility to order the exact quantity they need without being constrained by high volume requirements. This allows for greater customization and cost-efficiency, especially for prototypes or small-scale projects.

When it comes to shipping, we offer multiple options to cater to different needs and timelines. Customers can choose from Express shipping for urgent orders, Air shipping for faster delivery, or Sea shipping for cost-effective transportation of larger quantities. Our CNC Turning and Milling Parts undergo rigorous quality control measures to ensure that each piece meets our strict standards for precision and durability. Whether it's a one-off prototype or a batch production run, we are committed to delivering top-quality parts that exceed customer expectations.

Features:

Product Name: CNC Turning Milling Parts -----

Lead Time: 7-15 Days

Tolerance: ± 0.01 mm

Shipping: Express, Air, Sea

Processing Method: CNC Turning Milling

Advantage: High Precision, Fast Delivery, Etc.

Technical Parameters:

Material	Stainless Steel, Aluminum, Brass, Etc.
Lead Time	7-15 Days
Drawing Format	PDF, IGS, STP, DWG, Etc.
Product Size	Customized
MOQ	1 Piece
OEM/ODM	Accept
Advantage	High Precision, Fast Delivery, Etc.
Application	Automotive, Aerospace, Etc.
Surface Treatment	Polishing, Anodizing, Zinc Plating, Etc.
Shipping	Express, Air, Sea

Applications:

CNC Turning Milling Parts by ywy are versatile components that find application in a wide range of industries and scenarios. With the model number cnc202, these high-quality parts are manufactured in guangdonghuizhou and have a minimum order quantity of 1. The price range of these parts is between 0.68-6.68, making them cost-effective solutions for various projects.

These CNC Turning Milling Parts are suitable for diverse occasions and scenarios due to their durability and precision engineering. They are commonly used in industries such as automotive, aerospace, electronics, and machinery manufacturing. The ability to customize the product size makes them adaptable to different project requirements.

With packaging details including bubble paper box packaging and various package options like carton, wooden case, etc., these parts are well-protected during transportation. The delivery time of 10-15 days ensures timely arrival, and the long-term supply ability guarantees a continuous availability of the product.

Manufactured from materials such as stainless steel, aluminum, brass, etc., these CNC Turning Milling Parts offer reliable performance and resistance to wear and tear. They are suitable for both OEM and ODM projects, providing flexibility for customization.

When it comes to shipping, these CNC Machining Metal Parts can be delivered via express, air, or sea, catering to different logistical needs. Their versatility and precision make them ideal for various applications, from prototyping to mass production.

Customization:

Product Customization Services for CNC Machining Turning Parts: -----

- Brand Name: ywy

- Model Number: cnc202

- Place of Origin: guangdonghuizhou
- Minimum Order Quantity: 1
- Price: \$0.68-6.68
- Packaging Details: Bubble paper box packaging
- Delivery Time: 10-15 days
- Supply Ability: long-term
- MOQ: 1 Piece
- Application: Automotive, Aerospace, etc.
- Material: Stainless Steel, Aluminum, Brass, etc.
- Surface Treatment: Polishing, Anodizing, Zinc Plating, etc.
- OEM/ODM: Accept

Support and Services:

Our CNC Turning Milling Parts product comes with comprehensive technical support and services to ensure optimal performance and customer satisfaction. Our team of experts is available to assist with product installation, troubleshooting, maintenance, and any other technical issues that may arise.

We also offer customization services to tailor the CNC Turning Milling Parts to specific requirements or applications. Our goal is to provide a seamless experience for our customers, from initial purchase through ongoing support and service.

Packing and Shipping:

Product Packaging:

Our CNC Turning Milling Parts are carefully packaged to ensure they arrive in pristine condition. Each part is individually wrapped in protective material to prevent scratches or damage during transit. The parts are then placed in sturdy cardboard boxes with ample cushioning to absorb any impact during shipping.

Shipping Information:

We offer fast and reliable shipping for our CNC Turning Milling Parts. Orders are processed promptly, and we work with trusted shipping partners to ensure your parts are delivered safely and on time. You will receive a tracking number once your order has been shipped, allowing you to monitor the delivery status of your parts.

FAQ:

Q: What is the Brand Name of the CNC Turning Milling Parts?

A: The Brand Name is ywy.

Q: What is the Model Number of the CNC Turning Milling Parts?

A: The Model Number is cnc202.

Q: Where is the Place of Origin of the CNC Turning Milling Parts?

A: The Place of Origin is guangdonghuizhou.

Q: What is the Minimum Order Quantity for the CNC Turning Milling Parts?

A: The Minimum Order Quantity is 1.

Q: What are the Packaging Details for the CNC Turning Milling Parts?

A: The Packaging Details include Bubble paper box packaging.
