

Aerospace CNC Turning Milling Parts with Tolerance $\pm 0.01\text{mm}$ and Advantage

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: cnc202
- Minimum Order Quantity: 1
- Price: 0.68-6.68
- Packaging Details: Bubble paper box packaging
- Delivery Time: 10-15
- Supply Ability: long-term

Product Specification

- Lead Time: 7-15 Days
- Drawing Format: PDF, IGS, STP, DWG, Etc.
- Product Size: Customized
- Shipping: Express, Air, Sea
- MOQ: 1 Piece
- Processing Method: CNC Turning Milling
- Package: Carton, Wooden Case, Etc.
- Tolerance: $\pm 0.01\text{mm}$

Product Description

Product Description:

Are you in need of precision CNC turning milling parts for your projects? Look no further! Our CNC Turn Mill Parts offer top-notch quality and reliability to meet your requirements.

With a lead time of 7-15 days, we ensure prompt delivery of your CNC turning milling parts to keep your projects on track. Whether you are in the automotive, aerospace, or any other industry, our parts are versatile and suitable for various applications.

We work with a range of materials including stainless steel, aluminum, brass, and more to provide you with options that best suit your needs. Our CNC turning milling parts are crafted with precision and expertise to ensure optimal performance and durability.

At our facility, we accept OEM and ODM orders, allowing you to customize your CNC turning milling parts to meet your specific requirements. Whether you need a unique design or specialized features, we are here to accommodate your needs.

When it comes to drawing formats, we accept a variety of file types including PDF, IGS, STP, DWG, and more. This flexibility ensures seamless communication and compatibility throughout the manufacturing process.

Experience the difference with our CNC turning machining parts that are designed to exceed expectations in terms of quality, precision, and performance. Trust us to deliver reliable and efficient CNC turn mill parts that meet your standards and specifications.

Features:

Product Name: CNC Turning Milling Parts

Product Size: Customized

Package: Carton, Wooden Case, Etc.

Tolerance: ± 0.01 mm

Lead Time: 7-15 Days

Surface Treatment: Polishing, Anodizing, Zinc Plating, Etc.

Technical Parameters:

Package	Carton, Wooden Case, Etc.
Product Size	Customized
Application	Automotive, Aerospace, Etc.
Advantage	High Precision, Fast Delivery, Etc.
Surface Treatment	Polishing, Anodizing, Zinc Plating, Etc.
MOQ	1 Piece
Shipping	Express, Air, Sea
Lead Time	7-15 Days
OEM/ODM	Accept
Material	Stainless Steel, Aluminum, Brass, Etc.

Applications:

The CNC Turning Milling Parts offered by ywy (Model: cnc202) are versatile and suitable for various application occasions and scenarios. These precision-engineered metal parts are manufactured in guangdonghuizhou and are available for a minimum order quantity of 1 piece.

With a price range of 0.68-6.68, these CNC machining parts are cost-effective and come packaged securely in bubble paper box packaging for safe delivery. The delivery time for these parts is quick, ranging from 10-15 days, thanks to the long-term supply ability of the manufacturer.

One of the key advantages of these CNC Turning Milling Parts is their high precision, making them ideal for industries such as automotive and aerospace. The parts are designed to meet various drawing formats including PDF, IGS, STP, DWG, ensuring compatibility with different manufacturing processes.

Customers looking for custom CNC machining parts will appreciate the fast delivery and quality assurance provided by ywy. The MOQ of 1 piece allows for flexibility in ordering, while the lead time of 7-15 days ensures timely fulfillment of orders for both small-scale and large-scale projects.

Customization:

Product Customization Services for CNC Turning Milling Parts:

Brand Name: ywy

Model Number: cnc202

Place of Origin: guangdonghuizhou

Minimum Order Quantity: 1

Price: \$0.68-\$6.68

Packaging Details: Bubble paper box packaging

Delivery Time: 10-15 days
Supply Ability: long-term
OEM/ODM: Accept
Shipping: Express, Air, Sea
Material: Stainless Steel, Aluminum, Brass, Etc.
Application: Automotive, Aerospace, Etc.
Drawing Format: PDF, IGS, STP, DWG, Etc.

Support and Services:

Our CNC Turning Milling Parts product comes with comprehensive technical support and services to ensure optimal performance and customer satisfaction. Our team of skilled technicians is available to assist with any product-related inquiries, troubleshooting, or maintenance needs. We also offer training programs to help users maximize the capabilities of our CNC Turning Milling Parts. Additionally, we provide on-site installation services and ongoing support to address any issues that may arise. Our goal is to deliver top-notch technical assistance and services to meet the needs of our customers.

Packing and Shipping:

Product Packaging:

Our CNC turning milling parts are carefully packaged to ensure safe delivery. Each part is wrapped in protective material to prevent any damage during transit. The parts are then placed in sturdy boxes with ample cushioning to further protect them from impact.

Shipping:

We offer reliable shipping services to ensure that your CNC turning milling parts reach you in a timely manner. Depending on your location and preferences, we can arrange for standard or expedited shipping. Our team will work closely with trusted carriers to track your package and provide updates on the delivery status.

FAQ:

Q: What is the brand name of the CNC Turning Milling Parts?

A: The brand name is ywy.

Q: What is the model number of the CNC Turning Milling Parts?

A: The model number is cnc202.

Q: Where is the place of origin for these CNC Turning Milling Parts?

A: The place of origin is guangdonghuizhou.

Q: What is the minimum order quantity for the CNC Turning Milling Parts?

A: The minimum order quantity is 1.

Q: What are the packaging details for the CNC Turning Milling Parts?

A: The products are packaged in bubble paper box packaging.

Q: What is the delivery time for the CNC Turning Milling Parts?

A: The delivery time is 10-15 days.

Q: What is the supply ability for the CNC Turning Milling Parts?

A: The supply ability is long-term.
