

## High Precision Customized CNC Turning And Milling Parts Zinc Plating with Tolerance $\pm 0.01\text{mm}$

Our Product Introduction

for more products please visit us on [precision-cncparts.com](http://precision-cncparts.com)

### Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: cnc202
- Minimum Order Quantity: 1
- Price: 0.68-6.68
- Packaging Details: Bubble paper box packaging
- Delivery Time: 10-15
- Supply Ability: long-term

### Product Specification

- Surface Treatment: Polishing, Anodizing, Zinc Plating, Etc.
- OEM/ODM: Accept
- Processing Method: CNC Turning Milling
- Package: Carton, Wooden Case, Etc.
- Lead Time: 7-15 Days
- Application: Automotive, Aerospace, Etc.
- Advantage: High Precision, Fast Delivery, Etc.
- Tolerance:  $\pm 0.01\text{mm}$
- Highlight: **Precision CNC turning parts, Customized milling components, Zinc plated metal parts**

## Product Description

### Product Description:

Are you in need of high-quality CNC metal machining parts for your projects? Look no further than our CNC Turning Milling Parts! With our precision CNC machining capabilities, we can deliver top-notch parts that meet your exact specifications and requirements.

Our CNC Turning Milling Parts are manufactured using advanced CNC turning and milling processes, ensuring excellent precision and accuracy in every piece. Whether you need complex geometries or intricate designs, our state-of-the-art machinery can handle it all with ease.

One of the key highlights of our CNC Machining Turning Parts is the quick lead time we offer. With a lead time of just 7-15 days, you can rest assured that your parts will be delivered promptly, allowing you to keep your projects on track and on schedule.

These CNC Turning Milling Parts are suitable for a wide range of applications, including automotive, aerospace, and more. Whether you are working on a specialized automotive component or a critical aerospace part, our CNC machining services can meet your needs with precision and reliability.

When it comes to precision, our CNC Turning Milling Parts offer exceptional accuracy with a tolerance of  $\pm 0.01$  mm. This level of precision ensures that each part meets the required specifications and fits perfectly into your assembly, eliminating the need for any rework or adjustments.

At our manufacturing facility, we are dedicated to meeting the unique needs of our customers. That's why we offer OEM and ODM services for our CNC Turning Milling Parts. Whether you need a custom design or modifications to an existing part, our team of experts can work closely with you to deliver the perfect solution.

With our CNC Metal Machining Parts, you can trust in the quality and reliability of every component. From the initial design phase to the final inspection, we maintain strict quality control measures to ensure that each part meets our high standards of excellence.

Whether you are looking for CNC Machining Turning Parts for a small-scale project or a large production run, we have the capabilities and expertise to handle your requirements efficiently and effectively. Our commitment to customer satisfaction drives us to deliver superior parts that exceed expectations.

Experience the precision and quality of our CNC Turning Milling Parts for your next project. Contact us today to discuss your requirements and discover how our CNC machining services can benefit your business.

### Features:

Product Name: CNC Turning Milling Parts

OEM/ODM: Accept

Package: Carton, Wooden Case, Etc.

Lead Time: 7-15 Days

Application: Automotive, Aerospace, Etc.

Processing Method: CNC Turning Milling

### Technical Parameters:

Drawing Format	PDF, IGS, STP, DWG, Etc.
Advantage	High Precision, Fast Delivery, Etc.
Package	Carton, Wooden Case, Etc.
Tolerance	$\pm 0.01$ mm
Lead Time	7-15 Days
Surface Treatment	Polishing, Anodizing, Zinc Plating, Etc.
MOQ	1 Piece
Product Size	Customized
Material	Stainless Steel, Aluminum, Brass, Etc.
Application	Automotive, Aerospace, Etc.

### Applications:

CNC Turning Milling Parts by ywy are versatile components that find applications in a wide range of industries and scenarios due to their precision engineering and high-quality materials. The cnc202 model from ywy, originating from guangdonghuizhou, offers a minimum order quantity of 1 and a competitive price range of 0.68-6.68.

These Custom CNC Machining Parts are designed to meet the diverse needs of customers with different requirements for size, material, and specifications. The product size is fully customizable, allowing for tailored solutions for various projects and applications.

With materials such as Stainless Steel, Aluminum, Brass, and more, the CNC Turn Mill Parts from ywy cater to a wide array of industries, including automotive, aerospace, electronics, and more. The ability to provide OEM/ODM services further enhances the product's flexibility and adaptability to specific project needs.

Whether it's prototyping, production runs, or custom projects, these CNC Machining Turning Parts excel in delivering precise and reliable performance. The lead time of 7-15 days ensures timely delivery, while the packaging details in bubble paper boxes guarantee secure transportation.

Customers can rely on ywy's CNC Turning Milling Parts for their long-term supply needs, with various packaging options such as carton, wooden case, etc., available to suit different shipping requirements. The delivery time of 10-15 days ensures efficient turnaround, making these parts ideal for both urgent projects and long-term production requirements.

### Customization:

Product Customization Services for CNC Turning Milling Parts:  
Brand Name: ywy  
Model Number: cnc202  
Place of Origin: guangdonghuizhou  
Minimum Order Quantity: 1  
Price: \$0.68-\$6.68  
Packaging Details: Bubble paper box packaging  
Delivery Time: 10-15 days  
Supply Ability: long-term  
Surface Treatment: Polishing, Anodizing, Zinc Plating, Etc.  
Drawing Format: PDF, IGS, STP, DWG, Etc.  
Tolerance:  $\pm 0.01\text{mm}$   
Processing Method: CNC Turning Milling  
Shipping: Express, Air, Sea

### Support and Services:

Our CNC Turning Milling Parts product comes with comprehensive technical support and services to ensure the optimal performance and functionality of the equipment. Our team of skilled technicians is available to provide assistance with installation, troubleshooting, and maintenance of the product.

Additionally, we offer training sessions for operators to enhance their understanding of the product and its capabilities. Our goal is to deliver top-notch support services to help our customers maximize the efficiency and longevity of their CNC Turning Milling Parts.

### Packing and Shipping:

Product Packaging:

Our CNC Turning Milling Parts are carefully packaged to ensure safe delivery to our customers. Each part is individually wrapped in protective material to prevent any damage during transportation. The parts are then placed in sturdy boxes with ample cushioning to further protect them from any impact.

Shipping:

We offer various shipping options to accommodate our customers' needs. Depending on the urgency of the order, customers can choose between standard shipping, expedited shipping, or express shipping. Our team works diligently to process orders quickly and efficiently to ensure timely delivery. We also provide tracking information so customers can monitor the status of their shipment.

### FAQ:

- Q: What is the Brand Name of the CNC Turning Milling Parts?**  
**A: The Brand Name is ywy.**
- Q: What is the Model Number of the CNC Turning Milling Parts?**  
**A: The Model Number is cnc202.**
- Q: Where is the Place of Origin for the CNC Turning Milling Parts?**  
**A: The Place of Origin is guangdonghuizhou.**
- Q: What is the Minimum Order Quantity for the CNC Turning Milling Parts?**  
**A: The Minimum Order Quantity is 1.**
- Q: What are the Packaging Details for the CNC Turning Milling Parts?**  
**A: The Packaging Details include Bubble paper box packaging.**
- Q: What is the Delivery Time for the CNC Turning Milling Parts?**  
**A: The Delivery Time is 10-15 days.**
- Q: What is the Price range for the CNC Turning Milling Parts?**  
**A: The Price range is between \$0.68 and \$6.68.**
- Q: What is the Supply Ability for the CNC Turning Milling Parts?**  
**A: The Supply Ability is long-term.**
