

Experience the Benefits of UPS Delivery Method with Our Computerized Numerically Controlled Machining Parts

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

Product Specification

- Delivery Method: DHL, FedEx, UPS, Etc.
- Processing Method: CNC Machining, Turning, Milling, Etc.
- MOQ: 10Piece
- Application: Automotive, Aerospace, Medical, Etc.
- Quality Control: 100% Inspection Before Shipment
- Lead Time: 7-15 Days
- Tolerance: $\pm 0.01\text{mm}$
- Surface Treatment: Anodizing, Plating, Painting, Etc.
- Highlight: **CNC machined parts with UPS delivery, precision CNC machining parts, computerized numerically controlled parts**

Product Description

Product Description:

Our CNC Machined Parts are precision-engineered components that cater to a wide range of industries including automotive, aerospace, medical, and many more. These Computer Controlled Machined Pieces are crafted with utmost accuracy and attention to detail to meet the demanding requirements of modern applications.

Utilizing advanced CNC machining techniques such as turning and milling, we ensure that each component is manufactured to the highest standards. Our expertise in producing Computerized Numerical Control Machined Components allows us to deliver exceptional quality parts that adhere to strict specifications.

Whether you require OEM or ODM services, our CNC Machined Parts are fully customizable to meet your unique needs. From prototype development to mass production, we are committed to delivering tailored solutions that exceed expectations.

With a lead time of 7-15 days, we guarantee prompt delivery of your custom CNC Machined Parts without compromising on quality. Our efficient manufacturing processes and streamlined operations enable us to meet tight deadlines while maintaining the highest level of precision.

When it comes to size specifications, our CNC Machined Parts can be customized to fit your exact requirements. Whether you need small, intricate components or large, complex parts, we have the capabilities to deliver precision-engineered solutions that align with your project needs.

Features:

Product Name: CNC Machined Parts

Size: Customized

Application: Automotive, Aerospace, Medical, Etc.

Quality Control: 100% Inspection Before Shipment

Lead Time: 7-15 Days

Tolerance: $\pm 0.01\text{mm}$

Technical Parameters:

MOQ	10 Piece
Delivery Method	DHL, FedEx, UPS, Etc.
Tolerance	$\pm 0.01\text{mm}$
OEM/ODM	Acceptable
Application	Automotive, Aerospace, Medical, Etc.
Size	Customized
Quality Control	100% Inspection Before Shipment
Processing Method	CNC Machining, Turning, Milling, Etc.
Packaging	Standard Export Carton Or Customized
Drawing Format	PDF, DWG, IGS, STEP, Etc.

Applications:

These precision-engineered parts are suitable for a wide range of product application occasions and scenarios. Industries such as aerospace, automotive, electronics, medical, and more benefit from the high-quality CNC Machined Parts offered by yuanwenyu. The certification of these parts ensures compliance with industry standards and regulations.

With a minimum order quantity of 50 pieces and a price range of \$2.35 to \$12.68 per piece, these CNC Machined Parts are cost-effective solutions for businesses looking for reliable components. The packaging details include EPE foam, Anti-Rust Paper, Stretch Film, Plastic bag, and Carton, providing adequate protection during transit.

Customers can expect a quick delivery time and flexible payment terms when ordering CNC Machined Parts from yuanwenyu. The supply ability of 1000000 Piece/Pieces per month ensures a steady availability of these essential components.

Manufactured using CNC machining, turning, milling, and other precision processes, these Computer Controlled Machined Pieces offer superior performance and durability. The acceptance of OEM/ODM orders allows for customization based on specific requirements. Materials such as aluminum, steel, brass, and more are used to create these Computerized Numerical Control Machine Parts, catering to a wide range of applications. The lead time of 7-15 days ensures timely delivery of orders, meeting the demands of various industries. Whether used in prototyping, production, or maintenance, CNC Machined Parts from yuanwenyu are reliable components that guarantee quality and performance in any application scenario.

Customization:

Product Customization Services for the CNC Machined Parts

Brand Name: yuanwenyu

Model Number: 1X893, OEM

Place of Origin: Guangdong, China
Certification: 1
Minimum Order Quantity: 50 pieces
Price: \$2.35 - \$12.68/piece
Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
Delivery Time: 1
Payment Terms: 1
Supply Ability: 1000000 Piece/Pieces per Month
Packaging: Standard Export Carton Or Customized
Lead Time: 7-15 Days
Tolerance: $\pm 0.01\text{mm}$
MOQ: 10 pieces
Size: Customized

Support and Services:

Our Product Technical Support and Services for CNC Machined Parts include:

- Comprehensive troubleshooting assistance for any technical issues related to our CNC machined parts.
- Expert guidance on installation, maintenance, and optimization of the CNC machined parts.
- Training programs to ensure you and your team are proficient in using the CNC machined parts effectively.
- Regular updates on new features, improvements, and technologies related to CNC machining to keep you informed and up-to-date.

Packing and Shipping:

Product Packaging:

Our CNC machined parts are carefully packaged to ensure they arrive in perfect condition. Each part is first wrapped in protective material to prevent scratches and damage during transit. They are then placed in sturdy boxes with cushioning material to further protect them during shipping.

Shipping:

We offer reliable shipping options for our CNC machined parts to ensure prompt delivery. Orders are typically processed within 1-2 business days, and customers can choose their preferred shipping method at checkout. We work with trusted carriers to ensure safe and timely delivery of all orders.

FAQ:

Q: What is the brand name of the CNC Machined Parts?

A: The brand name is yuanwenyu.

Q: What are the available models for the CNC Machined Parts?

A: The available models are 1X893 and OEM.

Q: Where are the CNC Machined Parts manufactured?

A: The CNC Machined Parts are manufactured in Guangdong, China.

Q: What is the minimum order quantity for the CNC Machined Parts?

A: The minimum order quantity is 50 pieces.

Q: What is the price range for the CNC Machined Parts?

A: The price ranges from \$2.35 to \$12.68 per piece.
