

Custom Automotive Turning Method Computer Numerical Control Processed Parts for Automotive

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

Product Specification

- Lead Time: 7-15 Days
- Drawing Format: PDF, DWG, IGS, STEP, Etc.
- Size: Customized
- Quality Control: 100% Inspection Before Shipment
- Tolerance: ± 0.01 mm
- Surface Treatment: Anodizing, Plating, Painting, Etc.
- Material: Aluminum, Steel, Brass, Etc.
- Application: Automotive, Aerospace, Medical, Etc.
- Highlight: custom automotive CNC machined parts, CNC turning method automotive parts, precision CNC processed automotive components

Product Description

Product Description:

Our CNC Machined Parts are precision-engineered components produced through Computer Numerical Control (CNC) machining processes. These Computer Numerical Control Machining Components are designed to meet the exact specifications and requirements of various industries such as automotive, aerospace, medical, and more.

With a lead time of 7-15 days, we ensure timely delivery of your CNC machined parts to meet your production schedules. Whether you require standard export carton packaging or customized packaging solutions, we can accommodate your needs to ensure safe and secure transportation of the Computer Numerically Controlled Machining Pieces.

Our CNC Machined Parts are compatible with a range of drawing formats including PDF, DWG, IGS, STEP, and more. This flexibility allows for seamless integration of our parts into your existing designs and projects, saving you time and resources in the production process.

When it comes to surface treatment options, we offer a variety of choices including anodizing, plating, painting, and more. These surface finishes not only enhance the appearance of the components but also provide added protection against corrosion, wear, and other environmental factors, ensuring the longevity and performance of the Computer Numerical Control Processed Parts.

The versatility of our CNC Machined Parts makes them suitable for a wide range of applications across industries. From automotive components that require precision and durability to aerospace parts that demand high performance and reliability, our CNC machined parts deliver exceptional quality and consistency.

Whether you are looking for bespoke components for your medical equipment or specialized parts for industrial machinery, our CNC Machined Parts are designed to meet the stringent requirements of your industry. We take pride in delivering top-notch products that exceed expectations and add value to your projects.

Features:

Product Name: CNC Machined Parts

Delivery Method: DHL, FedEx, UPS, Etc.

Tolerance: $\pm 0.01\text{mm}$

Drawing Format: PDF, DWG, IGS, STEP, Etc.

Application: Automotive, Aerospace, Medical, Etc.

Size: Customized

Technical Parameters:

Tolerance	$\pm 0.01\text{mm}$
MOQ	10 Piece
Delivery Method	DHL, FedEx, UPS, Etc.
Packaging	Standard Export Carton Or Customized
OEM/ODM	Acceptable
Processing Method	CNC Machining, Turning, Milling, Etc.
Drawing Format	PDF, DWG, IGS, STEP, Etc.
Surface Treatment	Anodizing, Plating, Painting, Etc.
Material	Aluminum, Steel, Brass, Etc.
Application	Automotive, Aerospace, Medical, Etc.

Applications:

Computerized Numerical Control Machined Parts, also known as CNC Machined Parts, manufactured by yuanwenyu, are highly versatile components suitable for a wide range of applications across various industries. The Model Number 1X893 and OEM options cater to different customer needs, ensuring a perfect fit for specific requirements.

Originating from Guangdong, China, these CNC Machined Parts are crafted with precision and expertise, meeting rigorous quality standards. With certification in place, customers can trust the reliability and performance of these parts for their projects.

The minimum order quantity of 50 pieces makes these parts accessible for both small-scale and large-scale projects. The price range of \$2.35 to \$12.68 per piece offers flexibility in budgeting, making them cost-effective solutions for different applications.

Packaged with care using EPE foam, Anti-Rust Paper, Stretch Film, Plastic bag, and Carton, these parts are protected during transit, ensuring they reach customers in optimal condition. The delivery time and payment terms are convenient, facilitating a seamless purchasing process.

With a remarkable supply ability of 1000000 Piece/Pieces per Month, customers can rely on yuanwenyu for consistent availability of CNC

Machined Parts. The materials used, including Aluminum, Steel, Brass, among others, offer durability and compatibility with various environments. Customized in size and with a tolerance of $\pm 0.01\text{mm}$, these parts can be tailored to specific project requirements. The packaging options of Standard Export Carton or Customized packaging further enhance convenience for customers. Whether it's in automotive, aerospace, electronics, or any other industry requiring precision components, yuanwenyu's CNC Machined Parts excel in performance and reliability. Their versatility and quality make them ideal for a wide array of applications, showcasing the capabilities of Computer Numerically Controlled Machinery Parts.

Customization:

Product Customization Services for CNC Machined Parts -----
Brand Name: yuanwenyu
Model Number: 1X893, OEM
Place of Origin: Guangdong, China
Certification: 1
Minimum Order Quantity: 50 pieces
Price: \$2.35 - \$12.68/piece
Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
Delivery Time: 1
Payment Terms: 1
Supply Ability: 1000000 Piece/Pieces per Month
Surface Treatment: Anodizing, Plating, Painting, Etc.
Processing Method: CNC Machining, Turning, Milling, Etc.
MOQ: 10 Pieces
Packaging: Standard Export Carton Or Customized
Size: Customized

Support and Services:

Our CNC Machined Parts product comes with comprehensive technical support and services to ensure optimal performance and customer satisfaction. Our team of experts is available to assist with any product-related questions, troubleshooting, and maintenance needs. We also offer customization services to meet specific requirements and provide guidance on best practices for integrating our CNC machined parts into your systems.

Packing and Shipping:

Product Packaging: -----
Our CNC machined parts are carefully packaged to ensure their safe delivery to you. Each part is wrapped in protective material and placed in a sturdy cardboard box with ample cushioning to prevent any damage during transit.
Shipping:
Orders of CNC machined parts are shipped via reputable courier services to ensure timely delivery. You will receive a tracking number once your order has been dispatched so you can monitor the status of your shipment. We strive to deliver your parts to you as quickly and efficiently as possible.

FAQ:

Q: What is the brand name of the CNC Machined Parts? -----
A: The brand name of the CNC Machined Parts is yuanwenyu.
Q: What are the available models for the CNC Machined Parts?
A: The available models are 1X893 and OEM.
Q: Where is the place of origin for the CNC Machined Parts?
A: The place of origin for the CNC Machined Parts is Guangdong, China.
Q: What is the minimum order quantity for the CNC Machined Parts?
A: The minimum order quantity for the CNC Machined Parts is 50 pieces.
Q: What is the price range for the CNC Machined Parts?
A: The price for the CNC Machined Parts ranges from \$2.35 to \$12.68 per piece.
