

Painting Aerospace Industry Customized CNC Machined Parts for Custom Applications

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

Product Specification

- Tolerance: $\pm 0.01\text{mm}$
- Application: Automotive, Aerospace, Medical, Etc.
- Quality Control: 100% Inspection Before Shipment
- Packaging: Standard Export Carton Or Customized
- Surface Treatment: Anodizing, Plating, Painting, Etc.
- Delivery Method: DHL, FedEx, UPS, Etc.
- Drawing Format: PDF, DWG, IGS, STEP, Etc.
- OEM/ODM: Acceptable
- Highlight: **custom aerospace CNC machined parts, CNC machined parts for aerospace, customized CNC parts with warranty**

Product Description

Product Description:

When it comes to precision engineering and manufacturing, our CNC Machined Parts are a top choice for businesses looking for high-quality components tailored to their specific requirements. These Computerized Numerical Control Machined Parts are meticulously crafted to meet the most demanding specifications, offering exceptional accuracy and performance.

Our CNC Machined Parts are fully customizable in size, allowing you to order pieces that perfectly fit your project needs. Whether you require Computerized Numerical Control Machined Components for a small-scale operation or large industrial machinery, we can deliver the exact sizes you need to ensure a seamless integration into your systems.

With a minimum order quantity of 10 pieces, our CNC Machined Parts are suitable for both small businesses and large corporations alike. This flexibility in MOQ ensures that you can access high-quality Computer Controlled Machined Pieces without being constrained by excessively high volume requirements.

Quality is at the forefront of our manufacturing process, and each of our CNC Machined Parts undergoes rigorous 100% inspection before shipment. This meticulous quality control procedure guarantees that you receive components that meet the highest standards of accuracy and durability, giving you peace of mind knowing that your operations will run smoothly with our reliable parts.

When you choose our CNC Machined Parts, you can expect a lead time of 7-15 days, ensuring that you receive your components promptly without unnecessary delays. This quick turnaround time allows you to stay on schedule and meet your project deadlines with ease, making our Computerized Numerical Control Machined Parts a convenient and efficient choice for your manufacturing needs.

Furthermore, we offer OEM and ODM services, making it easy for you to customize your CNC Machined Parts to align with your brand requirements or specific project specifications. Our team of experienced engineers and technicians is dedicated to bringing your vision to life, providing you with the flexibility and creative control you need to achieve your desired outcomes.

In conclusion, our CNC Machined Parts are the ideal solution for businesses seeking precision-engineered components that deliver exceptional performance and reliability. With customizable sizes, a low MOQ of 10 pieces, stringent quality control measures, a fast lead time of 7-15 days, and OEM/ODM capabilities, our Computerized Numerical Control Machined Parts offer the perfect blend of versatility, quality, and convenience for your manufacturing projects.

Features:

Product Name: CNC Machined Parts

Size: Customized

Drawing Format: PDF, DWG, IGS, STEP, Etc.

Processing Method: CNC Machining, Turning, Milling, Etc.

OEM/ODM: Acceptable

Packaging: Standard Export Carton Or Customized

Technical Parameters:

Drawing Format	PDF, DWG, IGS, STEP, Etc.
Material	Aluminum, Steel, Brass, Etc.
MOQ	10 Pieces
OEM/ODM	Acceptable
Processing Method	CNC Machining, Turning, Milling, Etc.
Surface Treatment	Anodizing, Plating, Painting, Etc.
Lead Time	7-15 Days
Application	Automotive, Aerospace, Medical, Etc.
Quality Control	100% Inspection Before Shipment
Tolerance	±0.01mm

Applications:

CNC Engineered Parts, also known as Computer Numerically Controlled Machining Pieces, play a crucial role in various industries due to their precision and versatility. The yuanwenyu 1X893 OEM CNC Machined Parts, originating from Guangdong, China, are designed to meet the highest standards of quality and performance.

These CNC Machined Parts are widely used in automotive, aerospace, medical, and other industries where precision components are essential. Their ±0.01mm tolerance ensures that they meet the strict requirements of these demanding sectors.

With certification and a minimum order quantity of 50 pieces, the yuanwenyu CNC Machined Parts offer reliability and consistency in every batch. The price range of \$2.35 to \$12.68 per piece makes them a cost-effective solution for businesses of all sizes.

When it comes to packaging, these CNC Machined Parts are carefully protected with EPE foam, anti-rust paper, stretch film, and a plastic bag before being placed in a standard export carton or customized packaging. This ensures that they arrive in perfect condition at their destination.

With a supply ability of 1000000 pieces per month and a fast delivery time, customers can rely on yuanwenyu to meet their production needs efficiently. Flexible payment terms make transactions convenient and hassle-free.

Whether it's for prototyping, production, or replacement parts, the yuanwenyu CNC Machined Parts are a reliable choice for OEM and

ODM projects. Their surface treatment options, including anodizing, plating, and painting, allow for customization to suit specific requirements.

Customization:

Product Customization Services for the CNC Machined Parts: -----

- Brand Name: yuanwenyu
- Model Number: 1X893, OEM
- Place of Origin: Guangdong, China
- Certification: 1
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month
- Delivery Method: DHL, FedEx, UPS, Etc.
- Tolerance: $\pm 0.01\text{mm}$
- Drawing Format: PDF, DWG, IGS, STEP, Etc.
- Processing Method: CNC Machining, Turning, Milling, Etc.
- OEM/ODM: Acceptable

Keywords: Computerized Numerical Control Machine Parts, Computerized Numerically Controlled Machining Parts, Computer Controlled Machined Pieces

Support and Services:

Our CNC Machined Parts product comes with comprehensive Product Technical Support and Services to ensure optimal performance and customer satisfaction. Our team of experts is available to provide assistance with product installation, troubleshooting, and maintenance. Additionally, we offer training programs to help customers maximize the potential of our CNC Machined Parts. Our goal is to deliver top-notch technical support and services to meet the needs of our valued customers.

Packing and Shipping:

Product Packaging for CNC Machined Parts: -----

Each CNC machined part will be carefully wrapped in protective packaging to prevent any damage during transit. The parts will be placed in a sturdy box with ample cushioning material to ensure they arrive in perfect condition.

Shipping Information:

Our CNC machined parts are shipped via trusted carriers to ensure timely and secure delivery. Once your order is processed, you will receive a tracking number to monitor the shipment status. We strive to deliver your parts quickly and efficiently.

FAQ:

Q: What is the brand name of the CNC Machined Parts? -----

A: The brand name is yuanwenyu.

Q: What are the available model numbers for the CNC Machined Parts?

A: The model numbers available are 1X893 and OEM.

Q: Where is the place of origin for the CNC Machined Parts?

A: The place of origin is Guangdong, China.

Q: What is the minimum order quantity for the CNC Machined Parts?

A: The minimum order quantity is 50 pieces.

Q: What are the packaging details for the CNC Machined Parts?

A: The packaging details include EPE foam, Anti-Rust Paper, Stretch Film, Plastic bag, and Carton.
