

Customized Automotive Steel Computerized Numerical Control Machined Components for Superior Results

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

Product Specification

- Processing Method: CNC Machining, Turning, Milling, Etc.
- Application: Automotive, Aerospace, Medical, Etc.
- OEM/ODM: Acceptable
- Quality Control: 100% Inspection Before Shipment
- Size: Customized
- MOQ: 10Piece
- Lead Time: 7-15 Days
- Material: Aluminum, Steel, Brass, Etc.
- Highlight: **customized automotive CNC machined components**
, steel CNC machined parts,
computerized numerical control automotive parts

Product Description:

Looking for high-quality Computer Numerical Control Machining Components for your industry needs? Our CNC Machined Parts are precisely engineered to meet the demands of various applications such as Automotive, Aerospace, Medical, and more.

With a lead time of 7-15 days, we ensure quick turnaround times to keep your projects on track. Whether you require small or large quantities, our team is equipped to handle orders of any size.

One of the key advantages of our CNC Machined Parts is the ability to customize the size according to your specific requirements. Our state-of-the-art machinery allows us to create precise components tailored to your exact dimensions, ensuring a perfect fit for your application.

When it comes to packaging, we offer both standard export carton options as well as customized solutions to meet your shipping needs. Rest assured that your CNC Machined Parts will be securely packaged for safe transportation to your location.

As an OEM/ODM manufacturer, we understand the importance of flexibility in meeting our customers' unique specifications. Whether you need modifications to existing designs or completely custom parts, our team is ready to assist you every step of the way.

Our Computerized Numerical Control Machine Parts are crafted with precision and accuracy to deliver top-notch performance in various industries. From critical components in the automotive sector to complex parts in the aerospace industry, our CNC Machined Parts are trusted for their reliability and quality.

When you choose our Computerized Numerical Control Machined Parts, you can expect attention to detail and meticulous craftsmanship in every piece. Our commitment to excellence drives us to consistently deliver parts that meet the highest standards of quality and durability.

Experience the difference that our CNC Machined Parts can make in your operations. Contact us today to discuss your requirements and discover how our expertise can bring your projects to the next level.

Features:

Product Name: CNC Machined Parts

Processing Method: CNC Machining, Turning, Milling, Etc.

Packaging: Standard Export Carton Or Customized

Surface Treatment: Anodizing, Plating, Painting, Etc.

Material: Aluminum, Steel, Brass, Etc.

MOQ: 10 Piece

Technical Parameters:

Drawing Format:	PDF, DWG, IGS, STEP, Etc.
Application:	Automotive, Aerospace, Medical, Etc.
Size:	Customized
Processing Method:	CNC Machining, Turning, Milling, Etc.
Lead Time:	7-15 Days
Surface Treatment:	Anodizing, Plating, Painting, Etc.
MOQ:	10 Pieces
OEM/ODM:	Acceptable
Quality Control:	100% Inspection Before Shipment
Packaging:	Standard Export Carton Or Customized

Applications:

When it comes to Computer Numerical Control Processed Parts, yuanwenyu's CNC Machined Parts are a top choice for various application occasions and scenarios. The model numbers 1X893 and OEM are synonymous with quality and precision engineering. Originating from Guangdong, China, these parts come with certification and are suitable for a wide range of industries.

The CNC Machined Parts by yuanwenyu find their applications in diverse sectors such as Automotive, Aerospace, Medical, and more.

The versatility of materials used including Aluminum, Steel, Brass, and others make these parts adaptable to different requirements within these industries.

With a Minimum Order Quantity of 50 pieces and a price range of \$2.35 to \$12.68 per piece, these parts offer cost-effective solutions without compromising on quality. The packaging details ensure secure transit with options like EPE foam, Anti-Rust Paper, Stretch Film, and Plastic bag + Carton.

For those in need of quick deliveries, the CNC Machined Parts boast a short lead time. The payment terms are flexible, and the supply ability of 1000000 Piece/Pieces per Month ensures a steady availability of these high-quality parts.

Customers can provide their specifications in formats such as PDF, DWG, IGS, STEP, among others, making customization easy. The acceptance of OEM/ODM orders further enhances the product's appeal for tailored solutions.

Quality is paramount, and yuanwenyu ensures 100% Inspection Before Shipment, guaranteeing that only the finest Computerized Numerical Control Machine Parts reach the customers. Whether for prototyping, mass production, or specialized projects, these Computerized Numerically Controlled Machining Parts offer reliability and precision in every use case.

Customization:

Product Customization Services for CNC Machined Parts:

- Brand Name: yuanwenyu
- Model Number: 1X893, OEM
- Place of Origin: Guangdong, China
- Certification: 1
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/piece
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag + Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month
- Drawing Format: PDF, DWG, IGS, STEP, etc.
- Material: Aluminum, Steel, Brass, etc.
- Delivery Method: DHL, FedEx, UPS, etc.
- Application: Automotive, Aerospace, Medical, etc.
- OEM/ODM: Acceptable

Customize your Computerized Numerical Control Machined Parts (CNC Engineered Parts, Computer Numerically Controlled Machinery Parts) according to your specifications.

Support and Services:

Our Product Technical Support and Services for CNC Machined Parts include:

- Expert advice on selecting the right materials and machining techniques for your specific requirements.
- Assistance with design optimization to improve part performance and reduce costs.
- Troubleshooting and resolution of any issues related to CNC machining processes.
- Training and guidance on best practices for maintaining and operating CNC machines.
- Continuous product support to ensure optimal performance and customer satisfaction.

Packing and Shipping:

Product Packaging:

Each CNC machined part is carefully wrapped in protective foam and placed in a sturdy cardboard box to prevent any damage during transit. The box is labeled with product details for easy identification.

Shipping:

We offer reliable shipping services to ensure your CNC machined parts reach you safely and on time. Our shipping partners handle the packages with care to guarantee they arrive in perfect condition.

FAQ:

Q: What is the brand name of the CNC Machined Parts?

A: The brand name is yuanwenyu.

Q: Where are the CNC Machined Parts manufactured?

A: The CNC Machined Parts are manufactured in Guangdong, China.

Q: What is the minimum order quantity for the CNC Machined Parts?

A: The minimum order quantity is 50 pieces.

Q: What are the available packaging details for the CNC Machined Parts?

A: The packaging details include EPE foam, Anti-Rust Paper, Stretch Film, Plastic bag + Carton.

Q: What is the price range for the CNC Machined Parts?

A: The price range is \$2.35 - \$12.68 per piece.
